

RESIDENTS PROTEST ZONING

"Unconstitutional—Socialistic", Cry Lawyers

Complaining citizens ran the gamut from impassioned oratory to stumbling, bewildered and worried questions when the Zoning Board of Appeals held its day-long hearing on the proposed zoning ordinances at the American Legion Hall in Antioch last Thursday.

There was standing-room-only in the hall when the meeting opened at 10 a.m., and most of the crowd stayed through the morning hours.

As the day wore on, and one appeal after another was voiced to the Board by property owners, the crowd dwindled.

"Unconstitutional," "very close to socialistic," "ridiculous," "impractically idealistic," were some of the phrases hurled at Robert Morris and the Zoning Board of Appeals by four lawyers who protested the ordinances for themselves and clients. All the lawyers—Attorney Ted Lar-

son of Antioch, Clinton O. Thompson of Antioch, R. A. Franzen of Arlington Heights and Carl Sands of Cary, warned the board that passage of the ordinance would bring on a flood of litigation and be a field day for lawyers. Many aspects of the code, they said, were unconstitutional.

Robert Morris spoke to the assembly to open the meeting, stating that he wished to correct a widely-held mis-

apprehension in regard to the zoning ordinances. This he said, was the matter of re-building on a non-conforming lot in case of partial destruction. Mr. Morris said there was nothing in the new ordinances which forbade re-building a home in a residential section in case of partial or even complete destruction. This statement was later strongly contested by Attorney Ted Larson who quoted chapter and verse

and challenged Mr. Morris to explain how any construction other than the one previously publicized could be put on this portion of the ordinance—i.e., that if a building on a non-conforming lot is destroyed to more than 55% of its assessed valuation, it could not be rebuilt or repaired.

Homer Fowles, Indian Point, president of a Round Lake Bank, was the first complainant before the Board. He protested the rezoning of a lot across from his home to Commercial Recreation. He pointed out this classification had previously been rejected by the Board in a former hearing, and that the lot was surrounded by estates and residences. He protest-

ed that the new classification would de-value surrounding property.

Attorney Ted Larson of Antioch was the next to protest. He said he spoke for James McMillen, residents of Sabrina Manor and himself. Sabrina Manor residents, he said, protested the rezoning of their property from R-4 to UR-1. The UR-1 classification requires sewer and water service, on lots of less than 40,000 square feet.

Larson pointed out that owners of non-conforming lots could not rebuild and could not improve their buildings with the new restrictions, thus leading to deterioration of neighborhoods rather than improvement.

"This is ridiculous," Larson said.

Larson's oratory in defense of the right of individuals to do as they wish with their property so long as it does not interfere with the rights of others brought a storm of applause from the listeners at the close of his speech. He made a technical objection that no plats were sent to Antioch Township so that people could determine what their new zoning was. The ordinances, he said, are not an amendment but a complete revision. He stated "These ordinances are very close to retroactive, very close to socialistic." He pointed out that Mr. Morris kept affirming that the ordinances were for the good of

the people, but were really Mr. Morris' conception of what good he thought was good for the people, not determined by the individual right of men to decide what is best for themselves.

In closing, Mr. Larson quoted a decision in a Massachusetts Supreme Court case in 1959 in which the court ruled that "overzealous planners had attempted to extend their authority beyond the intent of the framers of the law," and the result was "more arbitrary action by planning boards than was consistent with the ideals of constitutional government."

Attorney Clinton Thompson rose at the close of Larson's protest, and said he spoke for a number of clients and himself. He said he was fully in accord with all Mr. Larson's statements.

Thompson pointed out that the Illinois statute on rezoning is predicated on the promotion of public health, safety, morals, comfort and general welfare. He also pointed out that the statute provided that in all ordinances, due allowance shall be made for existing conditions and usage to which the property is devoted at the time of enactment. He prophesied that enactment of the proposed ordinances would bring on a flood of lawsuits.

Thompson entered a protest for Mary Haisman, owner of Haisman's Resort on Lake Marie. The resort, which was conforming under the old code, has been rezoned residential under the new code.

R. A. Franzen, an attorney for Arlington Heights, said he spoke for Win. J. Ziegler and himself. He remarked that the Board had said they would welcome suggestions for improving the ordinances, and he would start with the

53 Years of Scouting For All Boys

Celebrate Boy Scout Week

Boy Scout Week will be celebrated from Feb. 7-13 this year. Boy Scout Sunday will be Feb. 10.

On Feb. 10, all Boy Scouts are urged to attend church in uniform. Wherever possible, the Scoutmaster will attend services with members of his troop.

The first Boy Scout Week was held in January, 1914. At that time, there was a membership of 115,304 Boy Scouts.

Catholic Boy Scouts of all Troops in the Antioch area have been invited to attend a mass communion at 7:30 a.m. at St. Peter's Catholic Church in Antioch, in uniform. A breakfast to which all Scouts, regardless of faith, are invited, will be held at 8:30 a.m. in the school lunchroom.

The monthly Scout Bulletin

carried this excerpt from Scouting Magazine at the time the first Scout Week was observed, with instructions for observance:

"Sunday — arrange with your pastors for special sermons on the character-development features of the Scout Movement. Individual Good Turns by all Scouts.

Scouts attend their churches en masse. In the afternoon, all Scouts will do the Scout Birthday Good Turn, visiting the sick in the hospitals and private homes, taking them flowers and best wishes of the Scout Movement.

Monday: Special Individual Good Turns by all Scouts. Troop Good Turns after school hours.

Tuesday: Individual Good Turns by all Scouts. Troop Good Turns after school hours.

Board Considers Roads, Proposed Apartments

Murrie & Ring Party Choice

Lloyd "Red" Murrie, received a unanimous vote as the Republican candidate for township supervisor, and after a stormy session and a deadlock, Blaine Ring received at least the token vote of the six committeemen to become the Republican nominee for road commissioner.

As the caucus at the Antioch Grade school opened Tuesday night, Gilbert Meisgeier said, he had three votes for the nomination—his own, Herman Holbek and Russell Holtz. Ring had two—Helen Burke and Henry Palm—and Bernard Osmond supported Richard Waters. However, Herman Holbek later switched his allegiance to Blaine Ring, due, he said, to numerous phone calls from constituents. Meisgeier and Holtz then switched their vote to Waters, resulting in a deadlock between Ring and Waters.

After a caucus, Mr. Meisgeier said, he asked that, in the interests of party unity, a unanimous vote be given Mr. Ring. Ring supporters, he said had been asked to make the same move and support Waters, but declined. Mr. Meisgeier said he did not intend to run independently.

Bette Meyer Runs For Board

With February 25 the last day for filing petitions for candidacy for the Village Board of Trustees, only one petition has been taken out. The lone petition was taken out by Bette Meyer, according to Clarence Shultis, Village Clerk.

There will be four vacancies on the board this year, as the terms of office of Ed Vos, Herman Holbek and Dave Nissen end, and the two-year term being filled by Ray Toft will have to be filled. Toft has been serving in place of John Blackman, who resigned.

March 2 is the last day for withdrawal of the petition of a candidate.

Sewer Ordinance, New Squad Car On Agenda

John Dupre presented a petition to the village board at its meeting Tuesday night for a two-story, 22 unit apartment building to be built at the rear of and to the south of, his present apartment building on North Main St. Dupre asked for an opinion from the board as to their attitude toward issuing a building permit for the proposed building.

Mayor Cunningham referred the matter to the zoning committee, and indicated that if zoning requirements were fulfilled, the attitude of the board was generally favorable.

The proposed building would house eight two-bedroom units, eight one-bedroom units, and six efficiency units. Mr. Dupre plans to

convert the present tennis courts to parking and install a driveway to North Main from the south limits of the proposed building.

John C. Vermeren, president of the Antioch Savings & Loan Association, asked permission to use a 30-foot strip of the village parking lot for a one-way street routing traffic from the Savings & Loan complex, now being built, to Orchard St. This, he pointed out, would relieve congestion on Lake St. Permission was granted by the Village Board, after some discussion of the necessity to vacate the one-foot buffer zone maintained by the village along the south end of the lot.

Mr. Vermeren announced that work on the site of the complex had started, and the office space rented to several professional men and businesses, including a hearing aid center, a small loan business, a podiatrist, a travel agency and a doctor. These are in addition to the new Savings & Loan building.

An ordinance establishing charges and fees for connection to the waterworks and sewerage system of the Village of Antioch was approved by the Board and will be published in the Antioch News next week. The ordinance (continued on page 5)

Mayor Proclaims February As Heart Month in Antioch

Mayor Cunningham last week proclaimed the month of February as Heart Month in Antioch, and February 24 as Heart Sunday.

Mrs. John Wagner, chairman of the Heart Fund Drive, received the signed proclamation from Mayor Cunningham in the presence of Edgar Simonsen, Chief of the Antioch Fire Department, and Mr. E. J. Oftedahl, Captain of

the Antioch Rescue Squad. Mr. Simonsen and Mr. Oftedahl represent our two Antioch volunteer teams who give assistance to those in need promptly and efficiently. Your gifts to the Heart Fund can help them to help us; in time of trouble.

Volunteers may offer their services for the Heart Fund Drive by calling Mrs. John Wagner, 395-4262.

Install Cermak As Head of Realtors

Charles Cermak, Antioch realtor, outlined ten objectives for the Waukegan-Lake County Board of Realtors when he was installed as president of that organization at the Glen Flora Country Club last week.

Cermak, and other officers of the Realtors, were installed by Probate Judge LaVerne A. Dixon.

State Rep. W. J. Murphy and guests were present for the installation ceremonies and the evening of dinner, dancing and entertainment.

Lose Driver's License

The office of the secretary of state has announced the following actions by the Driver's License Division of his office:

Licenses revoked for driving while intoxicated: Paul J. Dennault, Rt. 3, Box 775, Lake Villa; Phillip A. Parsons, 44 E. Oak St., Fox Lake. License suspended for three violations: Julius D. George, 446 Edgewood Drive, Antioch and Elmer H. Kruse, Rt. 1, Antioch.

Appoint Happ As Charming Representative

Herman J. Happ, Cedar Rapids, Iowa, has been named sales distributor for the line of Charming products, it was announced by Walter Koziol, general manager.

Happ will be responsible for sales in four midwestern states: Minnesota, western Illinois, eastern Iowa and Indiana. Charming makes a complete line of solid copper or cast aluminum gas lamps, and gas-fired portable outdoor grills.

Prior to his appointment Happ was associated with New Era Industries, Cedar Rapids, Iowa.

A native of Chicago, Happ attended schools in Chicago area, and University of Cincinnati. He moved to Cedar Rapids from Cincinnati, Ohio, where he was sales representative for the United States Gypsum Company.

Koziol pointed out that the Happ appointment marked the beginning of a new, aggressive sales and promotional program. A leading manufacturer of gas lamps, Charming has recently been expanding nationally.

Petty Speaker For Special Programs

All Lake County P.T.A.'s are invited to attend a special Founders Day program. The event will be held Feb. 11 at the Diamond Lake School, Diamond Lake Road and Highway 83. Time 8 p.m.

Principal speaker will be Dr. W. C. Petty, County Superintendent of Schools and 2nd Vice President of Lake County Council. His topic will be "Founders of our P.T.A. and our Country."

Council past presidents are to be the honored guests. Musical selections will be presented by the Diamond Lake School.

Mrs. Willard Douglas is the president of Lake County Council, and Mrs. Lester Keeper is director of District 26.

MRS. JOHN WAGNER, Chairman of the Heart Fund Drive in the Antioch area, receives a proclamation from Mayor Cunningham, declaring February as Heart Month and February 24th as Heart Sunday. Present were Mr. Edgar Simonsen, Chief of the Antioch Fire Department, and Mr. E. A. Westlund, President of the Antioch Rescue Squad. Mr. Simonsen and Mr. Westlund represent our two Antioch volunteer teams, who give assistance to those in need promptly and efficiently. Your gifts to the Heart Fund can help them to help you, in time of trouble.

Lester Osmond Dies Suddenly In Florida

Lester J. Osmond, Sr., died yesterday while on a vacation trip to St. Petersburg, Fla.

Mr. Osmond was a prominent citizen of Antioch. He was born August 21, 1886, at Richmond and moved to Antioch in 1900. He was a retired mail carrier, a member of the volunteer fire department, of the Lions Club, and had served on the Antioch High School Board.

Mr. Osmond will be returned to Antioch for interment. Services at St. Peter's Catholic Church are pending.

He is survived by his wife, Helen (Naber) Osmond; a sister, Mrs. John Horan, of Antioch; three daughters, Mrs. Eileen Lewin of Waukegan, Mrs. Eryn (Mary) Dousman of Wisconsin, and Miss Joanne Osmond of Blue Island, Ill.; two sons, Lester, Jr., and Bernard of Antioch; also eight grandchildren and 10 great-grandchildren.

What's Cookin? Fire Went Out

That familiar and titillating column, "What's Cooking?" won't brighten our sports page for a few weeks.

Harry Stern, author of the column so many of you turn to each week, is on a California vacation. He and his wife drove out west last week to visit a daughter and escape from our sub-zero weather. Harry's column will be back in our pages when he returns to Antioch. He ought to have a lot of news to tell us when he gets back. Maybe, if we're lucky, we'll get a few items from him in the meantime. If we do, we'll let you know.

TAKE CHARGE OF THE LIGHTS.

Just Around The Corner— "All For One", Feb. 8 & 9

By Howard Shepard

With only a few days left before the opening of the Palette, Masque & Lyre's production of "All For One", rehearsals are getting longer and members of the group are frantically smoothing out the rough spots.

An original musical with music and lyrics by Mac Ryan, the play will be presented at the Antioch High School Friday and Saturday February 8 and 9. Performances are scheduled for 8 p.m.

One of the surprises in store for "first nighters" who plan to attend the production will be the musical score. Composer "Mac" Ryan's statement "some of the songs are good and some are even worse" is a gross understatement. The selections range from blues and ballads to the latest twist beats.

Most of the music was written for another show some years ago but some of the numbers are of recent vintage and were composed especially for this play.

The story takes place on

the campus of a mythical college, "Winston College," and centers around a freshman and his problems in adjusting to campus life.

The lead is very adequately played by Bob Oddsen Rockefeller P. Jones. This is Bob's first attempt at anything like this and from what I saw of a rehearsal early this week, the audience should be well pleased with his performance.

Penny Kavalenko playing the part of Candy is a familiar figure to Antioch residents, appearing in many high school productions during her student years as Penny Anderson. The most notable was her performance in "Finian's Rainbow."

Experience and talent were combined in the form of Joe Hunley when he took the part of Tex Sadlebottom. Joe is a veteran of stage, radio and TV and has participated in some 200 shows in the past years. Joe, together with his wife, Valerie, also collaborated with members of the

(Continued on Page Three)

EDITORIAL

- And More Zoning

The people of Antioch Township certainly expressed their opinion of the proposed zoning ordinances last week at the American Legion Hall. Now we'll have to wait and see if it does any good.

Mr. Morris's answers to the questions asked by people never, really, seemed to be answers. He affirmed that the restrictions on non-conforming residences is not really what it seems to be, but failed to point out anything in the huge book of ordinances to back up his words. He appeared, in fact, to be rather more confused by the whole lengthy mass of words than most of his questioners.

Specifically, the portion of the proposed ordinances which refers to damage to structures on non-conforming lots (which, so far as we can determine, will include most homes in subdivisions in this area) reads as follows: Under Section IV - Nonconformances, B. Nonconforming Uses and Structures 4. Damage - "Any structure destroyed by fire or other catastrophic event to the extent that such damage exceeds fifty (50) percent (exclusive of foundation) of its actual valuation as reflected by the official county tax assessment and equalization rate, shall not be rebuilt or reoccupied by any use except in strict compliance with the zone regulations applicable to the particular zone in which it is located. Damage less than the above shall be repaired in a manner as nearly conforming as possible."

Mr. Morris's defense of most of his zoning was that it fitted into the overall picture which a vague and theoretical "we" had of Lake County.

This is probably the great failing of professional planners. Well-paid and cheered on by a few impractical do-gooders who would like to make everyone around them conform to their ideal of what our community should be like, they forget the people who are footing the bill. The map of the county, with a yellow square of farmland placed strategically here, a blending of brown residential there, just a trace of pink neighborhood business there, becomes more important than the people who inhabit those squares.

The planners forget that that piece of land represents a man's life work. His plans for it, his hopes for it, are brushed carelessly aside. They don't fit into the picture. The change of zoning, if it becomes effective, may mean that he has to completely alter his plans. He may have to throw overboard his plans to send his children to college, to start a business, to re-model his home.

Free people should not have to tolerate such unwarranted interference with their plans. Every man should have the privilege of using his property as he sees fit, so long as he does not interfere with the rights of others.

It seems as though Mr. Morris might have done a better job if he had taken a map of Lake County as it is now, and re-zoned only those portions where re-zoning was absolutely needed for reasons of health and public safety.

All the laws that can be written never made a good neighbor. Do the people of Lake County want this mass of laws guiding their every move?

This voluminous book of ordinances is so complex that even now lawyers and Robert Morris can not agree as to the meaning of sections of it. Who is to interpret them?

Let the people of Lake County decide for themselves, by working to improve their own communities, what those communities shall be like.

PROCLAMATION

WHEREAS the heart and blood vessel diseases kill more residents of this nation and this community than all other causes combined, are responsible for widespread suffering and often create serious economic hardship in our homes and business;

WHEREAS Heart Fund dollars make possible a campaign of research, education and community service to fight heart attack, stroke, rheumatic fever, hardening of the arteries, high blood pressure, inborn heart defects and many other forms of heart and blood vessel diseases;

AND WHEREAS the Heart Council will conduct its Heart Fund campaign throughout February, 1963, to make this health crusade possible;

THEREFORE, I, Mayor of Antioch proclaim February to be Heart Month and February 24, Heart Sunday in Antioch and urge our citizens to support this important drive with their contributions and voluntary services.

Murrill Cunningham

SIDELIGHTS from SPRINGFIELD

By Sen. PAUL SIMON

TWO FINANCIAL PITFALLS ILLINOIS SHOULD AVOID

The Governor's opening message to the legislature was relatively optimistic on the state's financial picture, but before the end of the session the other side of the coin will appear.

What Governor Kerner said about better enforcement producing more income is true; what he said is a credit to his administration and to a newspaper columnist and a TV commentator who have been stressing better enforcement possibilities - Jack Mahley of the Chicago American and Len O'Connor of NBC.

Despite all that can be done with better enforcement, the economy moves, more income will be needed. My hope is that two "easy outs" will be avoided: There should be no increase in the sales tax and no bond issue.

About \$400 million additional will be needed to carry on the state's program. Some will come through better enforcement and from natural population growth. That will not be enough.

State governments throughout the nation are facing financial difficulties and Illinois is no exception. The areas of responsibilities of the states are growing more rapidly than state income.

Next year, for example, the added population of Illinois high schools and grade schools will be another 60,000. That means that in the present session of the legislature we must appropriate not only for the present school population but for approximately 126,000 more.

That's just one example. The universities, mental health, and Public Aid are other areas where growth of costs far exceeds growth of state income.

The question that must be faced by the end of the session is: Where do we get more money? The choice will be between these four:

1. A flat-rate state income tax of one or two percent

the school. With the people who are now living there, it would be a little crowded.

The article also brought to light, that these children, as soon as they get home, are on the streets again going to their friends' homes, stores, etc.

Well, all of the children don't decide to go to their friends' house at the same time, and their friends are staying home to say the least. These children going to their friends' house are not creating the traffic hazards that being released from school all at one time are.

Let me say this, that if caring for the safety, welfare and comfort of our, yes I said our children, because mine are already utilizing school transportation, is being an agitator, then I'll suffer being tagged an "agitator" and be proud of it.

Incidentally, we didn't pick this weather, we have about as much control over it as we have over the school

with a reduction in the real estate and personal property tax.

2. An increase in the sales tax.
3. A bond issue.

Small taxes on various sources not taxed now, and a few increases in special taxes. An example here is the hotel tax, which might be raised from its present 3% to 4%.

The income tax will come eventually, and if people knew the benefits which would be derived from it over our present structure they would be for it. But a long process of education is first needed. The income tax eventually will come, but not in this session.

One of the last three sources probably will be tapped. Of these, the two I fear are the sales tax increase and the bond issue, both of which I will oppose if they are proposed.

In the sales tax field, we are already tied with two other states for the highest sales tax in the nation. Because of the peculiar structure of the Illinois sales tax, in reality we are the highest of any of the states. Illinois certainly should go no higher on this tax which hits bread and milk and the necessities of life.

A bond issue is another possibility. By issuing bonds we can postpone meeting our obligations now and let others in the future take care of our debts. A local school district must issue bonds because it has no alternative, but a state has many choices. There is absolutely no excuse for Illinois to issue more bonds. A bond issue would be a convenient way of ducking our responsibilities.

The remaining possibility seems to me to be the best choice at present: small taxes in some untaxed areas, and slight increases in special taxes. This is not the ideal solution, but it is better than increasing an already excessive tax and it is better than postponing our responsibilities.

In this session of the legislature there is considerable interest in "shortening the ballot" and allowing for appointment of many public officials who are now elected. The argument is that when there are many choices on the ballot, the voter is not able to inform himself. The suggestion is that "policy-making officers should continue to be elected, but that "administrative" or "clerical" officers might well be appointed. Governor Kerner suggested in his message that the Clerk of the Supreme Court and the Superintendent of Public Instruction should be appointed rather than elected and no doubt we will have bills making other clerks of courts appointive officers.

Well, I do not agree. I believe that we should have just as long a ballot as the voters will tolerate and that many of the so called minor offices or clerical offices should continue to be filled by election.

We as citizens are not interested only in the policy-making. We are also interested in receiving courtesy, prompt service, economy and sobriety from the people who wait on us at the courthouse

THE ANTIOCH NEWS 2 THURSDAY, FEBRUARY 7, 1963

Along The Way

with Annie Mae

The people's choice! Vox populi! The right to vote! Democracy in action! As we wave the banner of the free man, and his right to choose those who run this nation, how much do we really consider this great power we have?

The very base of this freedom begins in our own community. Here begins the turning of the steering wheel with a tie-rod to our nation's axle, upon which the wheels of progress revolve.

To complain or disagree is our inalienable right, but to be complacent and apathetic is unforgivable! As of this morning, Feb. 5th, there have been NO petitions taken out for any of the four positions open on the Antioch Village Board. The man on the street has in the past both commended and bewailed various actions of our Trustees and President. I take no concern now, with the men who conscientiously gave of their abilities and time to serve our community. Rather I say to you Mr. Citizen, who moans both loud and clear, now is the time to place in those seats your choice of leadership. If you show no more concern than to lament the ills of this town AFTER election, then remember whatever fate deals, you have no gripe!

THE LATEST REPORT: If you saw Mr. Groundhog scurrying back to his home in the earth last Saturday, and thought it was because he saw his shadow, you are wrong, it was because he saw the Christmas wreath on Fr. Ed. Hood's door, and it confused him into thinking he came out too early. . . . funny, isn't it, that as soon as our local weatherman, Roy Kufalk, left for Florida the weather took a turn toward spring? . . . Hip, Hip and a Hooray for Attny. Ted Larson for that prolific speech at the Zoning hearing last week. . . . there's a new male tax deduction at the Dr. Abderhalden's . . . and a new bud in the nursery at the Kinast's.

FORGET YOU NOT: This is the weekend for the play "All for One" at the High School Fri. and Sat. nite . . . the Ladies Nite for the Lions club is coming up the 16th of this month.

THE LAST DROP: Dave and Eugene Nissen enjoyed the facilities of the Wagon Wheel last week . . . thanks to Betty Shepard for the book of vignettes she sent . . . we didn't think he would, but Jack Fields made reservations for a Florida trip. . . . that snow plow on Antioch Lake last Friday was doing a good deed for the fish they tell me.

DID YOU HEAR: that Middle age is when your narrow waist and broad mind begin to change places.

Expand away, Annie Mae

If the testimony on tombstones were reliable, the Devil would soon be wearing mourning.

Your Governor Reports by OTTO KERNER

One of the major tasks facing the 73rd General Assembly is redistricting of the Illinois House of Representatives as required by the state Constitution, and I have told our legislators I will brook no partisan mampmaking.

The question of apportionment is basic to representative democracy—part and parcel of our way of life. Unfair and inequitable representation strikes at the roots of government.

For that reason, I told the legislature in my message last month that if a reapportionment bill is passed that smacks of partisanship, I will use my veto power to force the question into a committee, as provided by the Constitution. Under this constitutional provision, the governor appoints the committee members from the ranks of both political parties.

The Constitution is clear as to the formula to be used in defining the districts and requires that the districts are to be equal in population as nearly as possible.

Some persons view apportionment as a purely political question. This premise is incorrect. The apportionment of representatives among the population is a matter of concern to all citizens, not just the political parties.

In regard to the latter premise, the U. S. Supreme Court last year held for the first time that the fairness of state legislative apportionment raises a federal constitutional question. One legislature has, in fact, been restricted by the courts.

There is no reason why this should occur in Illinois. Our Constitution clearly states the formula for equity. I intend to uphold this basic law of our state.

Each year, across the nation, the Salvation Army extends Thanksgiving or Christmas assistance to more than 1,500,000 persons.

Protest Zoning

(Continued from Page One)

suggestion that they junk it. He had examined copies of zoning laws for Cook county and others, he said, and found this the most complex he had ever seen. He also stated that many terms of the ordinance are unconstitutional, and reiterated the right of citizens to use their property as they may see fit, so long as it does not interfere with the public health, safety and morals.

He specifically protested the re-zoning of the property west of the Fox River on Route 173 on which the construction of a million-dollar resort area has been planned. Originally zoned Farm, it was then re-zoned B1 and B2. The re-zoning would severely limit its use, Franzen said, and certainly no one would invest a million dollars or more in the property depending on the whims of future zoning boards as to the use to which it would be put.

Gilbert Meisger, representing the Lotus School District, protested re-zoning in the school district for no apparent reason. The only business property in the district from which the school could hope to draw taxes, he said, was three acres which is under water part of the time.

Mr. Meisger also protested re-zoning of an exclusive subdivision to include multiple-family dwellings. He asked why local hearings were not held while the ordinances were being formed to consult the people as to what they wanted in their neighborhood. He pointed out that in his area there was no allowance for Neighborhood Business to provide development of services for the growing population.

James Karey, owner of a gravel pit on Route 173 west of the Fox River, protested the re-zoning of his property from Farm to Estate. His gravel pit, now employing about 30 people, he said, would be unable to operate under the new zoning without getting a special permit each year.

Charles Wertz, owner of property at the corner of Tiffany Road and Route 173, protested its re-zoning from B-1 to UR-2. This, he said, would put him out of business and depreciate the value of his property.

The owner of the Pedersen Implement Co. on Route 173 protested the re-zoning of his property, which has been Business since 1946, to Agricultural.

The president of Felter's Subdivision questioned the re-zoning of lots in the subdivision to UR-2. Under provisions of this classification, he said, most of the lots would be non-conforming. He questioned the requirements for sideyard setbacks and the effect the non-conformance of the homes would have on resale value.

Charles Cermak, president of the Lake County Realtors, invited the board to meet in session with the realtors to discuss the zoning ordinances. He asked how long the zoning freeze would be on before people would know definitely what the zoning of their property would be, pointing out that it made sale of property almost impossible.

Blaine Erickson, operating Jacy's Resort on the north shore of Little Silver Lake, asked that the zoning of his property be changed to CR-1.

Carl Sands, a lawyer from Cary, Ill., protested the re-zoning of 39 acres on the northwest corner of Route 173 and 45 to Agricultural. Provisions of the ordinance make it impossible to sell property in less than 10 acre pieces. Ten acres, he pointed out, is too expensive in this area and involves too much upkeep. The land, he said, is unsuitable for farming. He declared Mr. Morris was too idealistic and impractical in his planning. No board, he said, should be given the power to determine to what use people shall put their land. A man should not have to plead with the board yearly for permissive uses of his own property, he declared.

Homer White, owner of a 480 acre farm, told the board that the farmer in Lake County was on the way out. Prices of farms and machinery were prohibitive, he said, and the next generation could not afford to purchase the farms. He protested that the re-zoning of his farm to Agricultural left him with a

DEATH NOTICES

RAYMOND W. COBB

Raymond W. Cobb, 62, formerly of Lake Mark, died Tuesday in Lake County General Hospital after a lingering illness.

He was born December 18, 1900, in Lake Villa and lived in the Antioch area until being confined to the hospital. He was a member of the Sequoit Masonic Lodge No. 827, A.F. & A.M. in Antioch, of the Quarter-Century Club of Johns-Manville and worked for Johns-Manville for 30 years.

He was preceded in death by his wife, Opal, on Sept. 28, 1950, and by one son, William J. Cobb, on Oct. 24, 1952. He is survived by one daughter, Mrs. Richard (Joanna) Thomson of Mundelein; by one brother, Edward, of Zion; one sister, Mrs. Nellie Miller of Casselberry, Florida; and by two grandchildren.

The funeral will be held at 3 p.m. Thursday at Strang's Funeral Home in Antioch with the Reverend L. H. Messersmith of the Millburn Congregational Church officiating. Interment will be in Millburn Cemetery. Friends may call at the funeral home after 2 p.m. on Wednesday. Masonic services will be held at 8 p.m. on Wednesday.

Wilmot High Homemaker Is Chosen

By Mrs. Herman Frank

Carol Ann Casey, daughter of Mr. and Mrs. Henry Casey, Twin Lakes, Ill., the Wilmot High School winner of the 1963 search for the American Homemaker of Tomorrow. Having achieved the highest score in a knowledge and attitude test given senior girls, she is now eligible, along with the winners in other state high schools, for the title of state Homemaker of Tomorrow. Basis for selection of local and state winners is a test prepared and scored by Science Research Associates, Chicago. Personal observation and interviews are added factors in determining national winners. Carol's high school extracurricular activities include being a member of the National Honor Society, camera club, G.A.A., (forensics), girls' chorus; and assistant editor of the 1963 annual. She also received the underclassman award for the "Most Outstanding Home Economics Student" last year. Her hobbies include water skiing, cooking and sewing. She has been a prize-winning exhibitor in the Kenosha county fair the past two years in the clothing and foods departments. After graduation, Carol plans to attend Stout College and major in home economics.

farm with which he could do nothing. He is in the process of developing a 40-acre lake on his farm. If he had to sell it in 10-acre lots, he said, no one could afford to buy it. The one-acre lots of the old ordinance, he said, were highly sufficient.

Russell Holtz, operator of Blarney Island, protested the re-zoning of his property from B-2 and Farming to Estates. He asked how the board could have the power to zone people out of business.

At this point the board ran out of complaint forms. Mrs. W. A. Biron protested the re-zoning of her property on Route 21 from B-1. She also pointed out that in the plat of the new zoning, there was very little Neighborhood Business. What of growing communities, she asked, that would need small grocery stores, drug stores, etc.?

Jim Olson, International Harvester dealer, protested the Agricultural zoning of his property on the southwest corner of Deep Lake Road and Route 173. Agricultural land immediately adjacent to him, he said, was zoned UR-3. He questioned the arbitrary re-zoning, heedless of the use to which land is now being put. The farmer, he said, should have some alternative in disposing of his land. He asked how long the question of zoning would hold up building.

The meeting adjourned at about 5 p.m. Formal protests were filed with the board by all who appeared, and the board said they would consider the appeals. A tape recording was made for the use of supervisors.

More Fund Raisers For Museum Named

Two northwest Lake County residents today were named to take leading roles in the Lake County Museum's \$525,000 fund raising campaign.

Rev. L. H. Messersmith, pastor of the Millburn Congregational Church, will be vice chairman of the Lake Villa-Antioch township district; and Charles J. Kantack, Fox Lake, will be vice chairman of the Avon-Grant township district.

Rev. Messersmith's appointment was announced by the district chairman Miss Carol Cervinka, Antioch. Kantack was named by district chairman Myron Heppner, Grayslake.

County Judge Minard Hulise and County School Supt. W. C. Petty also joined the \$525,000 Lake County Museum fund raising campaign as they agreed to head the campaign's Citizens Endorsement Committee.

The co-chairmen said they will write letters to more than 100 civic leaders, school officials and clergymen throughout the county and ask them to lend their name in support of the museum's drive later this month.

The campaign, expected to get underway later this month, will raise money by private contributions to construct a fire-resistant museum on 20 acres of county land north of Libertyville, to purchase private portions of the historical collection now housed in the museum barn in Wadsworth and to move the museum to the new building.

When the museum building is constructed, title will be turned over to the county but the museum's administration will rest in the hands of a board of trustees made up of residents from various parts of the county.

Any person over the legal age of 18 years may, during their lifetime, donate their eyes, after death to the Illinois Eye Bank.

Penny for penny, you're dollars ahead with a modern Gas dryer

dries a load with a Gas dryer

dries a load with other dryers

You save almost 4¢ a load with gas, compared with other types of dryers. And you don't have to invest in costly heavy-duty wiring to operate a gas dryer. Normal house-wiring facilities and a connection to your present gas service are all you need. This means you save on installation, too.

Gas dries your clothes faster and softer, too; has no dry baking action that sets wrinkles. Clothes come out so soft and sweet-smelling. With a modern gas dryer, you can dry clothes almost as fast as you wash them, day or night, rain or shine, with just a touch of the automatic control.

Free trial offer. Visit your Northern Illinois Gas Company showroom now. See the wide selection of gas dryers... all packed with features to make your drying easier and more efficient. Pick the model you want, and try it for 60 days with no obligation. (Matching washers also available.) Or check your appliance dealer for his attractive offer on a new gas dryer.

Alice Smith Honored On 95th Birthday

About one hundred friends and former pupils of Miss Alice Smith called to wish her well on her 95th birthday on January 20. One of her former pupils came from Chicago to spend the day with her.

Miss Smith taught school for 45 years. She taught for many years in Antioch High School, mainly Latin but some Math and History.

Miss Smith is still active in the Women's Society of Christian Service and teaches the Adult Sunday School class. She has missed only two Sundays during the severe cold weather last month. She also attends and enjoys the prayer group which meets every Friday morning.

Miss Smith says it would be impossible to thank personally each person who called and from whom she received gifts, flowers and telegrams, so she takes this opportunity to express her gratitude.

Square Dance Group to Hold Jamboree

The Lake Promenaders Square Dance Club of Grayslake will hold its second annual "Jamboree" from 2:30 till 5:30 p.m. Sunday, Feb. 10 in the Warren High School gym.

Callers for this special dance will be Lenny Roos of Chicago and Ray Quade and his band of Janesville, Wis. This is the first time in this area there will be modern square dancing to "live music."

Spectators are welcome at no charge.

Bernie Gutowski, club president resides in Antioch. For any further information or tickets, please call 395-0864.

Carol Wiegart To Be Rainbow Advisor

Miss Carol Wiegart, daughter of Mr. and Mrs. Al Wiegart, will be installed as worthy advisor of Antioch Assembly of the Order of the Rainbow for Girls during ceremonies at 7:30 p.m. Saturday, February 9, in Wesley Hall, Methodist Church.

Other officers to be installed include Marguerita Gillum, worthy associate advisor; Sue Lindblad, Charity; Sue Bloom, hope; Juanita Gillum, faith; Pat Brown, recorder; Joan Wagner, treasurer; Wendy Lindblad, Chaplain; Roselle Barnstable, drill leader; Gail Gibbons, Love; Margo Nadr, religion; Glenna Jo Burns, nature; Sue Ames, immortality; Susan Lindhorst, fidelity; Nicki Nissen, patriotism; Donna MacHanes, service; Karen Jennrich, confidential observer; Dolores Anderson, outer observer; Diane Polsgrove, choir director; and Doreen Fenel, musician.

Lynn Ott, retiring worthy advisor, will be the mistress of ceremonies and Pat Brown, Grand Rep. to Michigan of the State of Illinois and past worthy advisor of Antioch, will be the installing officer. Also participating in the ceremony will be Joan Wagner, installing marshal; Harriet Wells, installing chaplain, both girls past worthy advisors of Antioch; Heidi Gillett, past worthy advisor, Millburn Assembly, installing recorder; Kathy Rowe, a member of Harvard Assembly, will be installing soloist, and Mrs. Mabel Weber, worthy matrons of Antioch Chapter, O.E.S., will be installing musician.

The refreshment committee includes Mrs. W. B. Gillum, chairman, Mrs. Robert Lindblad, and Mrs. A. Bloom.

Mrs. Wilma Gibbs will be installed as mother advisor for the year along with the new board members, who are Mr. Emil Kirschbaum, chairman; Mrs. Jeanette Brown, secretary; Mr. Herb Pauli, Mr. Roy Lokki, Mrs. J. Parfitt,

Meetings & Events

ANTIOCH AMERICAN LEGION AUXILIARY

Mrs. Warren Edwards, Unit President and District Finance Committee member, and Mrs. Edward H. Jahneke, Unit Historian and District Publicity Radio-TV chairman, attended the Tenth District American Legion Auxiliary Board meeting at the North Chicago American Legion Home, on Wednesday, January 30. The Sharvin Auxiliary Unit there were the hostesses.

Mrs. Joseph Horton, chairman, and her committee, Mrs. Harry Messing, Mrs. Wilbur Lahti and Mrs. Betty Mortensen will be the hostesses at the February 8 meeting of the Antioch American Legion Auxiliary Unit at 8 p.m.

The delegates, alternates, District Chairmen, and Mrs. Edwards, the unit president, will be attending the Tenth District regular American Legion Auxiliary meeting to be held at the Libertyville American Legion Home on Wednesday, February 13, at 8 p.m. Mrs. Norman Samkus, district director, will be the presiding officer. The Legion's Tenth District officers are to be guests. This includes Mr. George Swenson, district junior vice commander and Mr. Edward Jahneke, district sergeant-at-arms.

First Class Petty Officer Frank Egan of the Naval Air Station at Glenview, will be the speaker on the topic "Americanism." The Libertyville American Legion Auxiliary Unit will be hostesses.

V.F.W. AUXILIARY NEWS

The Antioch V.F.W. Ladies Auxiliary of Sequoit Post No. 4551 held a pot-luck supper and penny social at the home of Richard Burnette on David St. on Monday evening, Feb. 4. The Post members and families were invited. Thirty-six attended the affair.

The next regular business meeting will be held Monday night, February 11, at 8 p.m. at the Burnette home. Members are asked to bring their Pepsi-Cola and Teen bottle caps for the last time.

"CHURCH OF THE AIR" PROGRAM

Richard H. Chase, Manager of the Christian Science Activities for the Armed Services, will be the speaker on the Columbia "Church of the Air" program Sunday, Feb. 17, it was announced by First Church of Christ, Scientist, Antioch. His subject will be "Showing Man His Uprightness." Music will be furnished by Kenny Baker and Eula Beal, soloists, and a quartet.

The program will be broadcast by Radio Station WBBM, Sunday, Feb. 17, at 6:30 a.m.

WINS SKIIS

Marge Wickland of Route 4, Lake Villa was among four winners of skiis and ski poles, and 14 winners of season passes at the recent official opening of the new Fox Trails Ski Area in Cary, Ill.

Pass winners and winners of skiis and ski poles participated in the Fox Trails opening day ceremonies as a result of being selected from among 5,000 visitors to the Fox Trails display at the recent Ski Fair held in downtown Chicago.

ORDER OF RAINBOW FOR GIRLS

Antioch Assembly, Order of Rainbow for Girls, will meet on Monday, February 11, at 7 p.m. at the Masonic Temple.

This will be the first meeting for Carol Wiegart as worthy advisor. The assembly will initiate Laurie Markwart and Vickie White.

A Valentine party will follow, and Mrs. Wiegart and her daughter, Carol, will be in charge of refreshments.

Mrs. Wayne Polsgrove, Mrs. W. B. Gillum, Mr. George Hawkins, Mrs. Elsie MacHanes and Mrs. Mabel Weber. Carol's sisters, Gloria and Darlene will give the odes to the American flag and Rainbow flag.

THE ANTIOCH NEWS 4 THURS. FEBRUARY 7, 1963

GARDEN CLUB TO MEET

Mrs. Fred Oeschmann, president of the Antioch Garden Club, will entertain the board at her home on Thursday, February 7 (today). Luncheon will be served at 12:30.

The business meeting will consist of a general discussion on the plant auction to be held in Antioch in May. Mrs. Ray Boller has been chosen chairman for this project and will inform the group of her plans.

News For Women

"Surprise Box" of Toys Helps Amuse Bedfast Tots

URBANA — Preventing boredom in bedfast youngsters is no easy task. But changing play materials frequently is helpful, especially for three- to five-year-olds, says Mrs. Marguerite Lynch, University of Illinois family life specialist.

Another way to combat "sickness boredom" is to provide some play materials that are different from those used when the child is well. Use the child's favorite playthings to further increase the assortment of activities.

Whatever toys you provide, encourage independent play. Often when a child is ill he loses his temper easily and does not play well with other children. Independent play also avoids tying up your time more than is necessary. However, an occasional game with an adult or another child can be a good "break" in the child's day.

One way to introduce suitable activities for independent play is by a "surprise box" of toys to be used only for bed play and other special occasions. What goes into the box, of course, depends on the age and interest of your child. And, if you have more than one child, it may be wise to have more than one "surprise-box" to avoid competition.

Whatever you select to go into the box, keep items small for easy handling in bed. Usually items that lend themselves to imaginative or creative play have more lasting appeal than purely mechanical toys. Among the many items that may suit your child are empty thread spools bits of ribbon and old trimmings from your sewing box, interesting large bottle tops, old postage stamps and seals and last year's Christmas cards.

A dollar or two and a trip to the dime store will produce such suitable articles as play soldiers, animals and small dolls so that something new can be added to the box each day. The new items will help to keep the box fresh, especially if the child must be confined for many days.

Mrs. Lynch also lists these other ideas for amusing three- to five-year-olds:

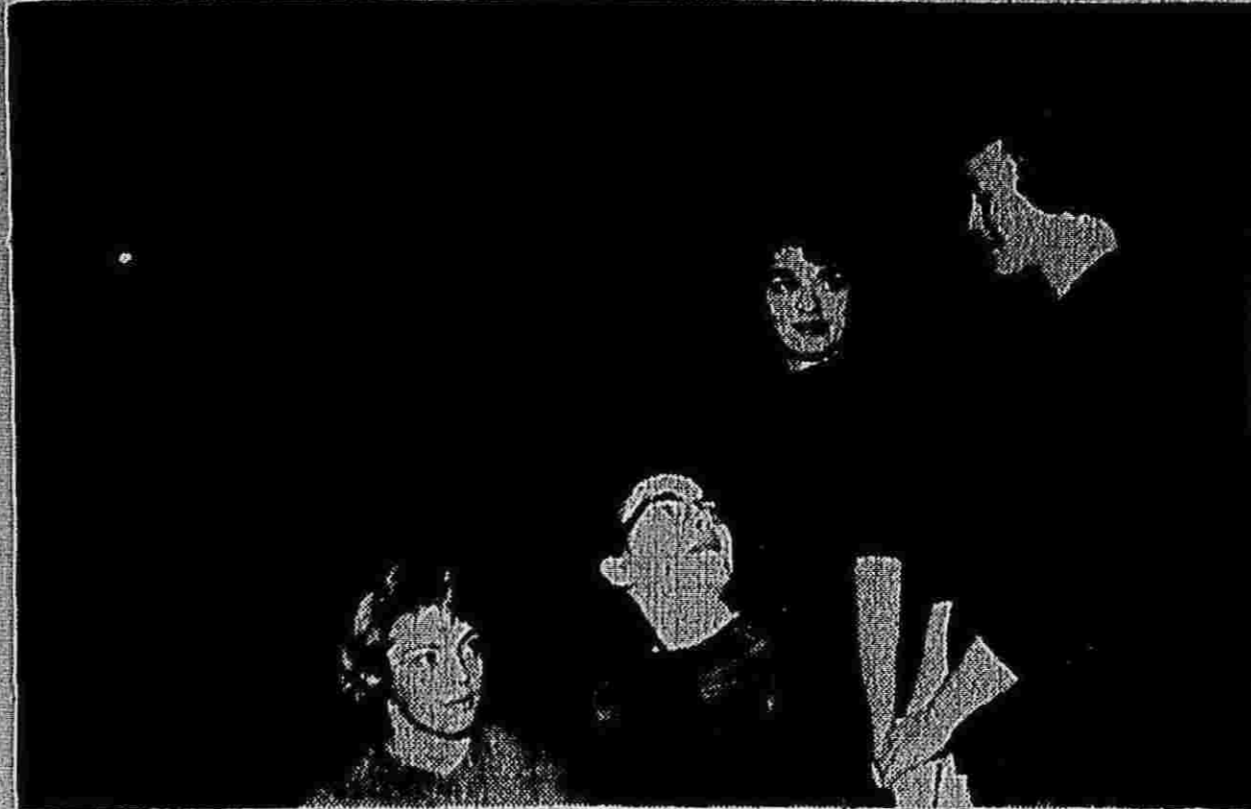

Let the child experiment with a miniature or full-sized flashlight or a magnet and some metal objects. Provide the necessary materials for paper tearing. With a little encouragement from you, your child can create such objects as paper trees, pumpkins and dolls.

Buy a package of inexpensive balloons. Inflate them and tie them to the bed. Give the child a magnifying glass or hand puppet. Let him sail eggshell boats in a shallow pan of water—under supervision, of course. If you have a record player he can handle himself, place it along with a stack of his favorite records where he can reach it from bed.

Place a bowl of goldfish on a nearby table for the child to observe. Suggest that he watch birds in the feeding station or birdhouse outside the window. If you don't have a feeding station or birdhouse and the child is to be confined for a long period, consider installing such facilities. They can help provide many hours of delight for a sick child.

STRENGTH FOR THESE DAYS
Be ye transformed by the renewing of your mind.
—(Rom. 12:2).

Thoughts, inspired by the Christ standard, energize and heal your body and imbue your affairs with order, harmony and success.

JILL BOSS, PENNY KOVALENKO, Kathy Behrens and Maja Lemko rehearse a scene from the play, "All For One".

"Where The Boys Are—"

News of Servicemen

USS PRINCETON (FHTNC) —James R. Cole, fireman, U.S.N., son of Mr. and Mrs. Harry D. Cole of 842 North Main St., Antioch, is serving aboard the amphibious assault ship USS Princeton, which recently completed two weeks underway training in the San Diego, Calif., area.

The Princeton is scheduled to deploy to the Far East early in February for a nine-month tour of duty with the Seventh Fleet.

The Princeton carries helicopters and Marine infantrymen. The two are grouped in a radical concept of amphibious assault termed vertical envelopment. In it, the Marines are landed behind combat lines by helicopter to provide greater shock power under combat.

WASHINGTON, D. C. (AHT NC)—Air Force Maj. Thurman S. Grafton, son of Mr. and Mrs. Thurman S. Grafton, Route 5, Antioch, Ill., is one of seven veterinary officers who recently completed 14 weeks of training in laboratory techniques of food inspection at Walter Reed Army Institute of Research, Washington, D. C.

Major Grafton entered the Air Force in August 1942. The 38-year-old major is a 1941 graduate of Christian Fenger High School, Chicago, and a 1947 graduate of Michigan State University, East Lansing, Mich.

FORT BLISS, TEX. (AHT NC)—Army Capt. Thomas F. Turner, whose wife, Loretta, lives on Route 1, Gill, Colo., recently was assigned to the 6th Guided Missile Battalion at Fort Bliss, Tex. Turner, a radar operator in Headquarters Battery of the battalion's 56th Artillery, entered the Army in October 1961.

The 24-year-old soldier, son of Mr. and Mrs. Wilbur C. Turner, Route 3, Antioch, attended Antioch High School.

Oakland PTA Meet

The Oakland P.T.A. met on February 4, with 73 persons in attendance. After a short business meeting the program chairman, Mrs. Derdarian, introduced the president of the Antioch Grade School Board of Education, Mr. Sorenson. He gave a short talk explaining the function of the Board and then introduced the various board members. They each gave talks regarding the functions and policies of the school board.

The talks proved very informative for the audience. After the meeting refreshments were served by the third grade room mothers.

Next month Mr. Root of the YMCA will give a lecture on the Russian Education system. In April the P.T.A. will sponsor their annual spaghetti dinner and book fair.

Births

Mr. and Mrs. Alan Ralph Knutsen, Rt. 2, Loon Lake, Antioch, are the parents of a son born January 19 at Lake Forest Hospital. The new son was named Bradley Dean. The Knutsens have three other children, Eric, 6, Kary 4½, and Conrad 3. Maternal grandparents are Mr. and Mrs. Havel of Highland Park. Paternal grandmother is Mrs. Hermione Knutsen of Salem, Wis.

Scout News

Attention, all parents of Girl Scouts, Brownie Scouts, and adult members of the Sequoyah Neighborhood Association! Remember we told you to reserve the date of Saturday, February 23, for a special event.

Well, the news is out that it will be an old fashioned Box Supper and Square Dance which will take place at 6:30 p.m. in the American Legion Hall in Antioch. So gals, get your dancing shoes and your husband prepared for an evening of fun, and don't forget that your "Box" must be kept a secret from your spouse. He's not supposed to know ahead of time what your creation looks like, because he'll be bidding in the dark on some lady's delicious supper.

For any of those unfortunate "folks" who can't make it to the supper, but only attend the dance, a donation will be asked. Looking forward to seeing everyone there, so don't forget the 23rd.

Everyone has been sorry to hear of Mrs. Alice Johnson's

stay in the hospital, but she should be home again with her family by this week. Alice is the busy, energetic, cheerful leader of Intermediate Troop 201 out at Grass Lake. We are sure all of her girls have missed her and wish her a speedy recovery. Just as she is missed at home, her girl scouts now realize how much their activities depend on her careful planning and encouragement. Let's all take time to wish her smooth sailing once again.

CUB PACK 300

Cub Pack 300 thanks the parents who turned out for the pack meeting and contributed to their fund-raising efforts. They also thank Bob Taylor for the use of his window for their display for Scout week.

Scribe Robert Diemer

We opened the meeting with opening ceremony at 7 p.m., January 22. Color guards were Joe Brell and Rich Stroner. We had patrol reports and then introduced new boys that are thinking of joining. Then we tied knots to show the new boys the ropes. After a while we had a game and then adorned the meeting at 9 p.m.

Board Considers.....

(continued from page 1)

specifics, among other things, the fee for making connection to the water mains of the system within the village shall be \$50.00 for a 1/2-inch water tap; for a large tap, or for applicants located outside the village limits, the charge shall be determined by the President and the Board of Trustees.

The sewer permit fee within the village limits shall be \$50.00 for a single family residence, all other connection charges to be determined by the Board and the President.

The ordinance also calls for a sewer property charge of \$300.00 to March 1, 1964, \$350.00 from March 1, 1964 to March 1, 1965, \$400.00 from March 1, 1965 to March 1, 1966, and \$500.00 on and after March 1, 1966. These rates also apply only to single family residences within the village, all others to be determined by the President and the Board.

An ordinance was also approved by the board changing the regular meeting place of the Village Board from the Village Hall to the Antioch Fire Station. Ernest Glenn voted against this ordinance.

A proposed snow removal ordinance did not meet with such smooth sailing. Ernest Glenn pointed out that a provision of the ordinance called for the removal of snow from sidewalks by property owners within 3 hours after snowfall (unless after 4 p.m. or on Sunday) and stipulated that the snow could not be shoveled onto any village thoroughfare. Mr. Glenn pointed out that this meant that merchants on Main St. would have to have the snow in front of their buildings hauled away by truck within three hours after a snowfall.

He said he felt this was unreasonable. Dave Nissen concurred. Ed Jacobs, village attorney, pointed out that they need not enforce the ordinance unless they wished to, but both Mr. Nissen and Mr. Glenn declared they were unwilling to vote for an ordinance that they did not wish to enforce. The ordinance was sent back to the committee for revision.

Mr. Simonsen reported that it would be necessary to raise a portion of Depot St. about 18 inches in the spring, and also to raise Anita St. in places and to place culverts to dispose of the water.

The board voted to send James Quadenfeld for a five-day course in Sewer-Plant Operation, and to pay expense of \$25.00 a day.

The Marianne Dress Shop asked that lights be installed by the village board at the rear of the stores on the east side of Main Street. Clarence Shultis was instructed to write a letter informing Marianne that the village could not install lights unless they were given an easement on the private property in this area by the owners.

The American Legion Post No. 748 requested by letter that they be permitted to operate a carnival on the village parking lot from July 3-7. The board voted to grant the request, contingent upon the Legion having liability insurance for the event.

Bids for a squad car for the police department were opened. A bid of \$2,337.96 was submitted by Pittman Motors; a bid of \$2,155.61 by Hensley Motors and a bid of \$1,873.26 by Lyons-Ryan Ford. The low bid of Lyons-Ryan Ford was accepted.

The board voted to cut Mrs. Walter Scott's salary to \$1,200 a year, at her request, and to cut her hours.

Clarence Shultis, Village Clerk, asked that the board advise what action he should take to collect the water bill from a man on relief, unable to pay the bill who owed over \$100.00. The board instructed the clerk to notify the landlord of the building involved that the water would be cut off unless the bill was paid.

President Cunningham

PART OF THE CROWD viewing the wrestling matches at the Antioch High School last Friday night.

Page Enters Springfield Hospital

SPRINGFIELD, Feb. 4.—Ray Page, 41, state superintendent of public instruction, has been ordered by his physician to take a complete rest. Page was admitted to St. John's Hospital last Thursday, suffering from a severe cold and fatigue created by the rigors of his recent campaign and the heavy responsibilities of his office since his inauguration last month.

Page's physician said tests indicate he was suffering from an acute transient vascular condition. Although the condition has completely cleared, his physician recommends a rest of two to six weeks before resuming the full duties of his office.

News From Grant High

Mr. Barry Paulsen, instructor in ballroom dancing at the Grant High School Evening School classes has announced the addition of the Bossa Nova to his course. He and Mrs. Paulsen will begin classes which will include the waltz, fox trot and cha-cha on Feb. 6.

The dance class is the only course open to high school age students. Registration may be made by mail or at the high school office. Late registration is possible only if the minimum enrollment is received by the Feb. 1 date.

The time for the Grant Community High School annual Amateur Show is March 2, at 8 p.m. in the Grant auditorium. There will be a number of new contestants with acts consisting of dancing, singing and instrumental. Contestants from previous years will also take part.

The annual sale of chocolate by Grant High School students will begin February 1. The administrative duties of the drive are being handled by the Student Council with almost every class, club and individual participating in the selling duties.

The primary goal in the drive is the addition of funds to the Elmer C. Rich Scholarship Fund. Individual prizes will be given and club treasuries will also benefit from the proceeds.

February 11 is the closing date of the selling campaign. One hundred and thirty-five Grant High School Latin students will begin vocabulary contest competition this week.

The verbose contest will last until March 1 and prizes will be awarded at that time to first and second place winners in each class section.

All vocabulary will be taken from the daily lessons. Mr. Thomas W. Walsh, Latin teacher, will conduct the elimination process and award the prizes.

asked that plans be made to install a sunken tennis court which could be flooded for a skating rink in the winter on village property next to the Little League baseball park.

Lincoln Play To Benefit Museum Fund

One of the objectives of the Lake County Museum of History is to continually provide a visible recognition of our heritage. An example of this will be done through the presentation of the play, "Our American Cousin," on Lincoln's birthday.

Under the direction of two top WBBM-TV producers, the actors will recreate the night Lincoln was shot at Washington's Ford Theater. The stage will resemble the Ford Theater stage on the fateful night in 1865. Part of the production will include sections of the play, "Our American Cousin," which the President was watching when he was shot. The murder of Lincoln and the escape of John Wilkes Booth will wind up the performance.

The show is being produced by Arthur Thorsen, producer of the WBBM-TV series, "The Prairie Giant," and John Miles, WBBM producer who specializes in historical productions.

The play will be presented at 8 p.m. on Tuesday, Feb. 12, at the West Campus Auditorium of Waukegan Township High School.

Check Battery More In Winter

Battery failure continues to be one of the most frequent causes of automobile breakdowns in winter months, according to the Chicago Motor Club.

For this season, car owners are urged to have their batteries inspected at least once each month, and for maximum battery efficiency, the motor club suggests the following check list:

1. Water and electrolyte should cover battery plates at all times.
2. Your battery must be charged to avoid freezing in cold weather.
3. Have your battery hydrometer-tested about every 1,000 miles. The hydrometer measures the strength of battery acids which indicates the condition of your battery.
4. Corrosion around the battery terminal is a common resistance to the flow of battery current. Use sandpaper to shine battery terminal posts at least three times a year.
5. Check your voltage regulator for battery overcharging. An overcharged battery will buckle its cover and the sides will bulge. Your battery is probably overcharging if you have to add more than two ounces of water a month.
6. When you take your car for lubrication, have the service man clean the battery case. Dirt and corrosion around the battery hamper its efficiency.
7. Slow city driving can weaken a battery. If most of your driving is in the city, use a home charger to keep your battery up to the proper level.
8. Vibrations can ruin a battery. Check your hold-down clamps to be certain they are tight.

Courtesy of the Road

The Chicago Motor Club points out that traffic control begins behind the wheel of your car. The discourteous driver who tries to get away with something in traffic too often succeeds only in hurting himself and innocent victims. Common courtesy pays off in safe driving.

Blazes Plague Fire Dept.

A fire at the Dan Radakovic home in Feller's Subdivision last Thursday burned the inside of the home so badly that the family was forced to seek shelter with neighbors.

The fire was discovered about 7 p.m. Edgar Simonsen, Fire Chief, said that, due to the absence of the family, the fire had made considerable headway before it was discovered.

Simonsen said the fire apparently originated from a defective furnace.

Most of the family's belongings were destroyed by the fire and their boxer dog died in the blaze.

Mrs. Radakovic was shopping when the fire started. Mr. Radakovic was out-of-town and their two children were at the Antioch High School.

The Antioch Fire Department was called to assist the William Fire Department about 9:30 p.m. Saturday night when the barn on the George Bovee farm burned.

Fire departments from Twin Lakes, Silver Lake, Trevor and Bristol also fought the fire. The big barn was finally cut in two with a caterpillar tractor to halt the blaze. Several pigs perished in the flames.

Saturday afternoon the department was called to the Ben Shostak home on Petite Lake after fire started in the wiring of a hot water heater.

The fire was caused by someone thawing frozen pipes at another house, causing a flashback on the line, Simonsen said. No damage other than to the wiring was caused.

A fire at Lazzero's Resort on Petite Lake was also caused by an attempt to thaw frozen water lines, Simonsen said. The building was gutted by the blaze.

Swim Class Offered By Red Cross

A Senior Life Saving course will be offered by the American Red Cross and the YMCA at the Waukegan YMCA pool commencing Tuesday, Feb. 12.

The course will be taught by Elenore Koschak, and will be held each Tuesday from 7 to 10 p.m. for six weeks.

Persons interested must be 16 years old by March 19th and a strong swimmer.

Those interested must register in advance by calling the YMCA on MA 3-2350. Attendance at all six classes will be required.

These qualifying will be presented both the Red Cross and the YMCA certificates.

Identify Your Tax Return

"When will I get my refund?" is one of the most frequent tax questions according to E. C. Coyle, Jr., District Director of Internal Revenue. It was first asked 100 years ago when the agency started collecting income taxes. He said that the failure to receive a refund check is usually caused by illegible names or addresses.

Mr. Coyle said that it is permissible to sign your name at the bottom of page 2 of the return the way you always sign your name, even if your signature is a hurried scrawl. At the top of the return, however, your name should be carefully printed. Your complete, current address should also be carefully printed along with your social security number. In other words, eliminate any doubt as to who you are and where you live.

Each year thousands of refund checks are returned to Internal Revenue offices because the postman cannot deliver them.

Mr. Coyle said that if the taxpayer has moved, he should show his new address to promptly receive refunds and other mail from Internal Revenue. If he moves after filing, a forwarding address should be left with the post-office.

It takes all kinds of people to make a world—and the world certainly has them.

Campus News

Thomas J. Kochanowicz, son of Mrs. Joseph Kochanowicz, Rt. 3, Antioch, is among students cited for scholastic attainment at Tri-State College, Angola, Indiana, according to the honors' list as announced by William L. Scott, Dean of Students.

Mr. Kochanowicz has also been honored by election to membership in Tau Sigma Eta, scholastic honorary society for engineering students.

Among students in the Department of Electrical Engineering, Mr. Kochanowicz held a scholastic record of all A's and B's for the past quarter at Tri-State College. He is a 1959 graduate of Maine Township High School.

Religion in Life Week at Carroll College, from Feb. 11-15, will feature four speakers. Miss Karen Lightsey of Antioch is chairman in charge of the dinner meeting and coffee hour which will be held during the week long series of programs.

The men of Illinois College who are organized into literary societies have elected officers for the second semester of 1962-63.

Mike Murrie of Antioch was elected vice-president of Sigma Pi.

Conolly Appointed To Five Committees

State Representative John H. Conolly of Gurnee was appointed to five committees of the 73rd General Assembly. The committees are Governmental Economy, Industry and Labor Relations, Motor Vehicles and Traffic Regulation, Personnel and Pensions, and Waterways, Conservation, Fish and Game.

Upon returning from last week's session in Springfield, Conolly expressed his pleasure in these assignments, especially in the appointment to the Governmental Economy Committee. He stated, "My main campaign theme throughout the past year was to attempt to join the Economy Bloc of the Legislature. The appointment to this Committee definitely puts me in a position where I will endeavor to promote economies in government for the people of Lake County and Illinois."

In today's traffic, cautions the Chicago Motor Club, danger can strike from any direction—and that includes the rear. The frequency of rear-end collisions on slippery roads is a strong reminder that drivers should make more effective use of their rear-view mirror. This means, of course, that it's essential to keep the rear window completely free of frost, ice, or snow.

Look out for that fleecy skid stuff on your car.

During and following a winter storm, says the Chicago Motor Club, streets and highways usually are slippery at the approaches to intersections and railroad grade crossings. When ever approaching intersections and railroad crossings, make certain you can stop in time.

The Chicago Motor Club points out that in wintry weather, drivers who leave and re-enter their cars frequently may find a layer of ice building up on the brake pedal and other foot controls. Therefore, it's important that you take time to scrape away any accumulation of snow or ice from them. A slip of the foot could mean loss of control of your car and result in a serious accident.

Always pull completely off the highway when you stop to change a tire, says the Chicago Motor Club. If there isn't enough room on the shoulder, move ahead slowly. It's better to ruin a tire than lose a life. At night use a flare or flashlight to warn approaching traffic.

THE ANTIOCH NEWS 5 THURSDAY, FEBRUARY 7, 1963

It's your duty as a motorist to be alert for pedestrians who may disregard traffic rules, says the Chicago Motor Club. Be alert at all times and practice courtesy behind the wheel of your car.

LAST
count showed that 6,500,000 cars were insured with us. Find out why now!

Career Night At High School

The Guidance Department of Antioch High School, and the Antioch High School Parent-Teacher Association are sponsoring a Career Night, scheduled for Wednesday, March 6, 1963.

The purpose of this Career Night is to bring to high school juniors and seniors, and their parents, accurate information concerning vocations in which they are most interested, thereby assisting them in choosing an occupation consistent with their aptitudes and satisfying to their personal needs.

The Career Night schedule will begin at 8:00 p.m. (General Session - Auditorium) followed by three 25 minute sessions, ending about 10 p.m. with refreshments being served in the cafeteria.

Mrs. Helen Martindale, Vocational Counselor, Illinois State Employment Service, will give the keynote address. Her topic will be "Finding a Job and What Is Expected of a Young Person Entering the Labor Market."

A student Questionnaire given to juniors and seniors revealed interest in 31 occupations. Forty-two consultants have been contacted, and will be held to represent these careers.

5th Annual Meeting Of Farm Group

The Lake County Soil and Water Conservation District Directors have completed final plans for their fifth annual meeting to be held at the Farm Bureau Building at Routes 120 and 45 in Grayslake, on Saturday, Feb. 9. The program will commence with a buffet lunch at 12 noon and a short business meeting will be held for the election of two District Directors.

The program will consist of a panel discussion featuring the progress and accomplishments of the District in the past five years of operation.

Wilmot News

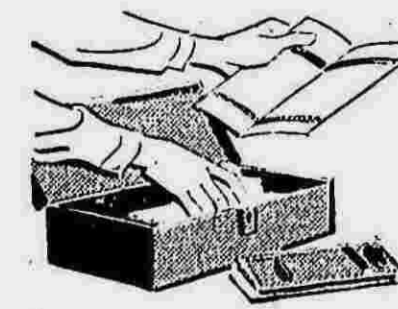

By Mrs. Herman Frank

The installation of Pastor G. Enderle was held at 2 p.m. Sunday, Feb. 3, at Peace Lutheran Church, Wilmot. A reception in charge of the Ladies Aid, followed the installation.

The annual meeting of Peace Lutheran church was held Sunday, Jan. 27, at 2 p.m. Mr. Harry Stoen was elected in place of Mr. Donald Wienke, whose term had expired. Mr. John Schmurr was re-elected for another three year term.

Sam and Joe were in the duck blind and Sam was boasting to Joe about his great abilities as a hunter. Then a flock of ducks came over and Sam took careful aim. He fired. Not a single duck came down.

Sam turned to Joe and with awe in his voice said, "Joe, you are now witnessing a miracle. Somewhere in that flight of ducks, there flies a dead one."

Freedom Institute Scheduled For 1963

Washington University will again hold an American Freedom Summer Institute for high school juniors in 1963. It has been announced by Chancellor Thomas H. Eliot.

Supported by the Educational Council for Responsible Citizenship, the Institute is scheduled for June 24-July 26. It will again provide the young people with an opportunity to make a searching inquiry into basic American values, national purposes, liberties, laws, political and economic systems and traditions of freedom.

As in last year's Institute, course material will be taught through lectures, seminars, in formal discussions and readings, and supplemented with appropriate field activities.

Students from all over the United States are invited to apply for admission to the Freedom Institute. Last year's enrollees represented 20 states ranging from New York to California.

Among students who attended the 1962 Freedom Institute was Miss Janet Polley, 998 Osmond Avenue, Antioch, a senior at Antioch Township High School.

Those interested in applying for admission may receive further information from O. W. Wagner, Registrar, Washington University, St. Louis 30, Missouri.

Watch Out For Impetigo

One of the most common and unsightly conditions to affect the skin, especially that of infants and children, is contagious impetigo.

An infectious disease caused by pus-forming germs, contagious impetigo usually begins on the face, ears, neck or hands as a small blister—or cluster of blisters—very red color from yellow to dark red.

It may take on the appearance of a cold sore on the lips. The sores usually appear within a few days or a week after the germs enter the skin, through a cut or scratch.

Unless checked early, the condition has a tendency to spread rapidly about the body and take on epidemic proportions, often causing an outbreak in an entire family or school. For these reasons, parents should be alert to the appearance of the aforementioned blisters, which may also resemble crust-like scabs or pimples.

If one is infected, he should avoid contact with others, for this form of impetigo is easily spread from person to person by both direct and indirect contact (use of towels, wash cloths, etc.) Athletic equipment such as wrestling mats and boxing gloves are also instrumental in its spreading.

Good hygiene is always a factor in preventing the disease, and parents and children alike should be taught the need for using their own toilet articles.

Though the sores of impetigo do not itch, burn or pain, it is sometimes natural for people to scratch or pick on them. This, of course, should be avoided for the pussy material sometimes associated with the condition can lodge beneath the fingernails, or on the fingers, yielding another source for transmission of the causative germs.

Fingernails should be kept

T. B. Rate High In N. Chicago

The target has been zeroed-in, and the target will be tuberculosis in North Chicago.

Recently a meeting was held in the offices of the Lake County Health Department, attended by Mr. Walter Kroll, Health Officer of North Chicago; Dr. Charles Petter, Medical Director of the Lake County Tuberculosis Sanatorium; Miss Catherine Cable, R. N., Executive Director of the Lake County Tuberculosis Association; and Arthur G. Baker, M. D., Director of the Lake County Health Department. At this meeting the incidence of tuberculosis in the City of North Chicago was discussed. There have been 18 active cases of tuberculosis reported from North Chicago in the past year and the positive reactor rate of North Chicago school children to tuberculosis screening tests is the highest in the county.

Dr. Baker pointed out at the meeting that tuberculosis has not been eliminated in Lake County and is a constant threat to those who have contact with infected persons. Therefore, concentrated efforts by all health agencies, in specific areas and communities where the incidence is the highest, will be the most effective way of uncovering unknown cases of the disease.

Tentative plans were made at the meeting to conduct an extensive case-finding program in North Chicago during the month of June; the case-finding will be conducted by the mobile X-ray unit of the Lake County Tuberculosis Association and citizen support and participation will be developed through the efforts of the citizens and organizations of North Chicago.

The Sparrow

"Whatever it is that the house sparrow possesses, it has enabled it to live close to man—the house-mouse of the bird world—yet be continually wary of his ways in order to avoid death. To be disliked yet to survive, and to be rather cheerful about it, is a quality which demands our admiration in spite of ourselves." — Highland News Leader.

It's going to be a tough decision when the purchasing agent starts negotiating to buy the machine that's to replace him.

short and clean. Pillowslips should be changed frequently and laundered apart from other linen. Underclothing or clothing which is in contact with the skin should be also handled with great care.

In the case of contagious impetigo, the scab-like crusts are removed and the smooth, red, moist skin beneath is carefully treated with an antiseptic. Very often, one of the antibiotic drugs is employed and, frequently—in stubborn cases—the X-ray is used. With proper care, the condition may be cleared up within a few days to a few weeks.

Since the prevention of disease is everyone's aim, wise is the parent who teaches the child early habits of good hygiene. Remember, one case of contagious impetigo can cause an outbreak in an entire family or a school. Be suspicious of that innocent-looking blister.

Knitting Course at Grant High

The addition of another home economics course to the curriculum of the Spring Semester Evening School at Grant Community High School will provide students with the opportunity to learn the skill of knitting.

The sewing and tailoring classes have annually proven to be among the most popular courses offered by the evening school and the curriculum was expanded to meet the needs and wishes of people of the community. Learning the skill of knitting will prove not only profitable but also add hours of enjoyment and the feeling of accomplishment to the lives of those enrolled.

The beginning and intermediate sewing classes are held in the home economics department of the high school and are designed to instruct the novice in the use of the sewing machine and then continue on into the more difficult works of garment making.

The tailoring class which is now in its third semester in the night school curriculum takes the student into the more difficult processes of garment making and it is geared to the abilities of the experienced sewer.

Classes for the evening school began the first week of February.

Wilmot Girl Chosen For Concert Tour

By Mrs. Herman Frank
Janet Sue Schmalfeldt, daughter of Mr. and Mrs. Fred Schmalfeldt, senior in Wilmot High School, has been selected to participate in the 1963 European concert tour of the School Band of America.

Janet received a superior rating in a nation-wide series of auditions held in November and December. She will join 80 outstanding instrumentalists between the ages of 15 and 21 from all parts of the United States to present concerts in England, Belgium, Germany and Switzerland, Italy, Monaco, France and New York, between June 29 and July 29, 1963.

Membership in the School Band of America is determined on the basis of superior musicianship, character and personality.

The School Band of America, directed by Edward T. Harn, Bloomington, Ill., assisted by Wayne M. Eger, Massillon, Ohio, and Don McCathren, Pittsburgh, will leave New York on June 29 by Pan American jet for the month-long tour.

It will be the third annual tour, presenting concerts jointly with the recently organized School Chorus of America.

Last weekend, Janet, as the winner of the Kenosha County Junior Miss contest, competed with other winners in the state at Hales Corners for title of Wisconsin Junior Miss.

The University of Illinois Division of services for Crippled Children is celebrating its 25th anniversary as the official state agency designated to provide medical care and related rehabilitation services to physically handicapped children in Illinois.

Parking lights can be dangerously deceptive, pointing out the Chicago Motor Club. That's why safe drivers always turn on their low-beam headlights at the first sign of dusk—not misleading parking lights. Parking lights confuse the distance between vehicles and thereby increase the chance for accidents.

Sequoit Five Upset By Warren's Blue Devils

The Warren Blue Devils scored 36 points in the final half Friday night and upset a rather tame Sequoit five 65 to 59 at Gurnee. The win snapped a 5 game losing streak for the Blue Devils and put the Sequoits down to fifth place in the conference standings.

The Antioch quint led throughout most of the first half and left the court at intermission with a 6 point bulge 35 to 29. A steady Blue Devil defense held the Sequoits to 3 baskets and 2 free throws for the third period and Warren took the lead going into the final stanza 46 to 43.

The Blue Devils topped the scoring 19 to 16 in the closing heat to take the 65 to 59 victory. Doug Lang took game scoring honors with 23 points followed by Bob Kubicki for the Sequoits with 15. Kubicki cashed 7 of 13 field goal attempts for a sizzling 53%.

Lang again topped the rebounding chart for the Sequoits with 8, followed by Kubicki, Hallwas and Matejka with 5 rebounds each. The Blue Devils had the edge in this department grabbing off 37 rebounds to 30 for the Sequoits.

The big boys for the Blue Devils were McClure and Bill Grom. Tom Martin and Ron Lindwall were also standouts in the rebounding. The Sequoits made 24 of 57 attempts from the field for 42% but fell down at the charity line, cashing only 11 out of 22 opportunities.

BEAT GRANT 67-59

The Antioch Sequoits avenged a 73 to 44 defeat suffered earlier this season at the hands of Grant High School by rolling over the Bulldogs 67 to 59 Saturday night at Antioch. The victory kept the Sequoits in a tie for fifth place in the Northwest Conference with Warren.

The Sequoits moved deliberately to a 12 to 6 first quarter lead and were never headed after that. The scoreboard read 32 to 20 at the half way mark.

Led by ace scorer Bob Kubicki the Sequoits opened up in the third period and outpointed the Bulldogs 21 to 12. The Antioch quint relaxed in the final stanza and coasted to the 67 to 59 victory. The Bulldogs poured in 26 points in the 4th period to reduce the final margin.

Strong defensive play on the part of John Hallwas, who grabbed off 18 rebounds, was a big factor in the Sequoit victory. Jim Brownlee was lauded for his defensive work in holding Joe Savage to one point. Savage got in foul trouble early in the game and sat out most of the third period with four violations.

Bob Kubicki topped all scorers with 7 field goals and 18 free throws for 32 points. Doug Lang, Jim Brownlee and Hallwas were also in double

State Tourney To Be Seen On Channel 7

The 1963 state high school basketball tournament will be telecast again this year—good news to the thousands of fans of the sport who enjoy watching the top teams in the state compete for the championship each year.

The new assembly hall at the University of Illinois will be the site of this year's tournament. The games will be broadcast over WBKB, Channel 7, in the Chicago area.

The tournament will be held on Friday and Saturday, March 22 and 23. Defending state champion is Decatur. Sportscasters Tom Kelly and Bob Rhodes will be joined by Lorne Brown, sports director of TV station WICS in Springfield, for this year's telecast. Jack Drees is not available for this year's broadcast. The show is sponsored by Illinois Bell Telephone Company, which originated the telecast in 1952 and has sponsored it every year since.

The Saturday telecast of the semi-finals will begin at noon and the evening program—third place and championship games—will begin at 7 p.m.

figures with 13, 12 and 12 points respectively. Lang also aided Hallwas on the boards, picking off 10 rebounds.

Antioch had the edge in rebounds getting 34 to 32 for the Bulldogs. Dick Kazlauskys led the scoring for the losers with 17 points. Ten of Kazlauskys' total came in the fourth period.

Antioch improved on their free throw percentage, cashing in 25 out of 40 attempts for 63%. The Sequoits hit on 21 out of 51 attempts from the field.

The Antioch Sophs moved into sole possession of second place in the conference by trouncing the Grant preps 73 to 51.

News of Lakesports

State Regional Tournament Pairings Released This Week

Coach Roger Andrews released the pairings for the Illinois State High School Basketball Regional Tournament this week and announced that this year's tourney will be held at Mundelein.

The first action of the tourney will be Monday, March 4, and will see top seeded Libertyville going against Ela-Vernon. Libertyville, coached by last year's Sequoit mentor Larry Leon, boasts an 11 and 3 record for the season against 3 and 11 for Ela-Vernon.

Antioch will square off against the winner of the District Tournament to complete the action for Monday.

Tuesday will see Palatine against Warren and Barrington against Mundelein.

Sequoit fans will be pulling for a first night victory and a chance for the local boys to meet their former Coach Larry Leon. Libertyville should have little trouble disposing of Ela-Vernon.

In the District Tournament scheduled to start February 26 at Wauconda, the first night's action will have Marysville going against Round Lake and Grayslake against Cary Grove.

Both Wauconda and Grant received by's in the first round and will move directly into the semi-finals. The final game is set for March 1.

Elroy Anderson Slams Pins For a 712 Series

Elroy Anderson qualified for the exclusive 700 club last Thursday night with a blistering series of 242-202-268 for a 712. His high series led King's Drugs to the high series for the night of 2797.

Carl Neuman's 673 series led the Major Leaguers. Other high scorers were Val Nicpon with a 644, Snapper Gerretsen with a 637, Ken Smith's 641 and Vern Baker's high game of 263.

In the Wednesday night Business Men's League Dale Jones' 666 led the league, with Frank Heiselmann's 624 next.

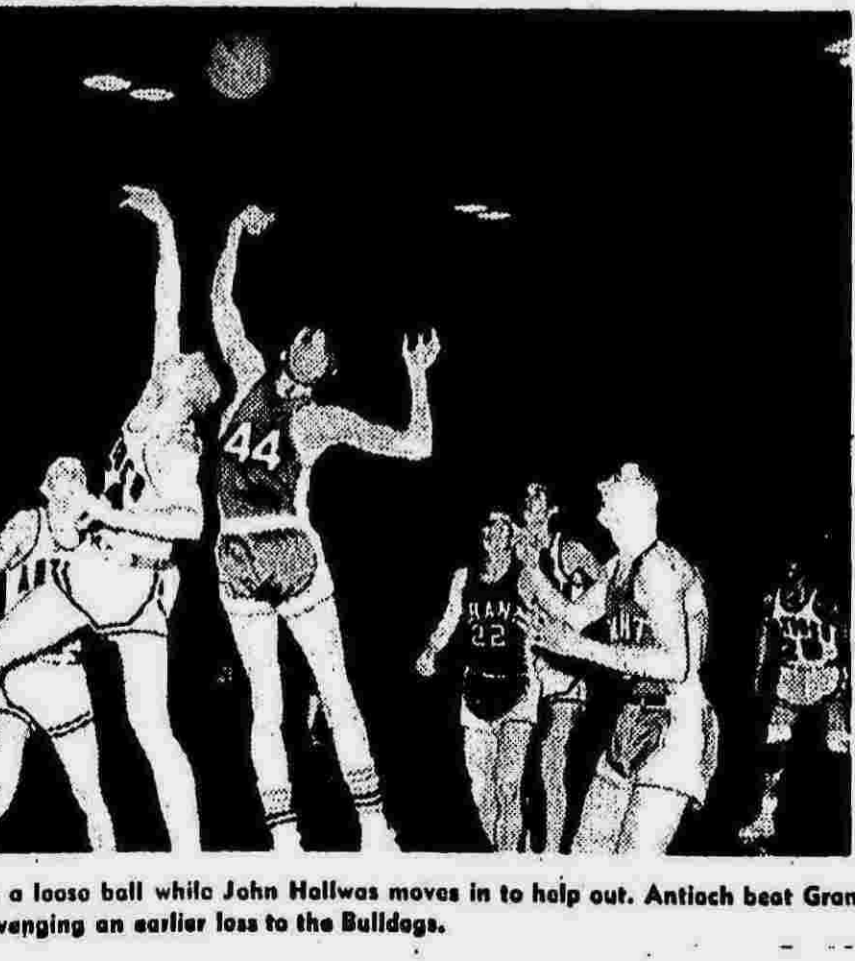

In the Thursday night B.I. State league, Ted Ozga scattered the pins for a 669 series.

Hilda Segelke led the ladies' Ten Pin Toppers league with a 625, followed by Marge Anderson's 600 and Bette Meyer's 520.

Marcia Palmer had the only over-500 series bowled in the Pinspotters' league with 513.

BOB KUBICKI (30) gets his own rebound and puts it back up for two points. Kubicki scored 32 points in the fray getting 18 free throws and 7 baskets.

DOUG LANG (54) fights for a loose ball while John Hallwas moves in to help out. Antioch beat Grant in Saturday's contest 67 to 59, avenging an earlier loss to the Bulldogs.

New Athletic League For Wis. Schools

Announcement of the formation of a new high school athletic and activity conference has been announced by the combined administration of Union Grove, Watertown, Burlington St. Mary's and Salem Central high schools.

The league, to be known as the Southeastern Badger Conference will begin activity with the football season of 1963.

The title of the new league was formally announced last week following the result of a combined ballot of the student bodies of the four schools involved. Southeastern Badger received 75% of the total ballots cast by the students. An organizational meeting will be held in the near future when administrators and athletic directors will assemble to name officers and to establish a constitution for the new conference.

The four schools involved were members of the old Southeastern Conference which will suspend operations with the end of the 1963 spring sports schedules. The other four league members, Clinton, Palmyra, Norris Foundation, and Williams Bay will join the new Indiana Trails Conference which is scheduled to begin operations in the fall of 1963.

After a rather slow start the Antioch Sophs gathered momentum and rolled to a 57 to 47 victory over Warren at Gurnee in Friday night's curtain raiser. Bernie Smith sparked the Sequoit five with 16 points while gathering in 11 rebounds.

Behind 8 to 0 with over 3 minutes of the first quarter gone the Sequoits got rolling and moved to within 3 points by the end of the period. At halftime the Antioch quint still trailed by 5 points with the scoreboard reading 29 to 24.

The Sequoits took command in the third quarter with the help of some strong rebounding by Vic Rogers and entered the final stanza leading 38 to 37. In the lead all the way from then on the Sequoits poured in 19 points in the 4th quarter to win going away.

Vic Rogers led in the rebounding department with 12, picking up 11 points along the way. Jesse Inman also hit for double figures, getting 15 points on 6 from the field and 3 charity tosses. Hannula led for the losers with 23 counters.

Bowling

Bi-State League Thursday, Jan. 31

Ted Ozga smacked 669, setting high scratch mark. Ted's blazing 669, 204-255-210, topped the scoring feat of this week and gave the Haydon Homes team a big boost in winning two games from Dortmund's Inn (R. Honing 578).

Rudolph Turkey Farm, winning 3 in a row from Beauti-Vue Products, went into a first place tie. Top scorers for the turkey birds were Gus Siedschlag with 617-224 and Louie Rudolph with 597-223. Siedschlag has been slamming the strike slots with the greatest of ease for the past couple of weeks.

Ron Anderson with 581 and Pete Lehmann with 556 won scoring honors for the Knapp Shoe quintet, who took a pair from Slide Inn (Jack McNiff 557).

Joe Martinucci's high trip of 589 and teammate Art LaFlamme's 580 led the Roepack Masonry to a double win over El-Mar's.

The Colonial five, led by Earl Hogan's 574, W. Helwig's 556 and Slavik's 541, shot high series for the night—2773, good for a pair of games from Dalgard's IGA.

Art Doty reeled off 590-230, but his team, Charlie's Channel Inn dropped two games to Gibbs & Jensen (Bill Christiansen 548).

Only 5 games separate the first 8 teams with Rudolph Turkey Farm and Roepack Masonry in a tie for first place.

Ten Pin Toppers Tuesday, January 28

High team series, Joe & Helen's, 798-731-827—2356. High individual scorers, H. Segelke, 198-215-212—625; M. Anderson 180-166-254—600; B. Meyer, 192-180-148—520.

Gibbs & Jensen 3; The Tot Shop 0, Joe & Helen's 2; Prenger's Resort 1, Art's Paint Store 2; Nielsen's Corners 1. Tuttle Min 2; Gaston

Lake Forest Wins 2, N.W. Title in Sight

The Lake Forest Scouts continued with their winning streak this past weekend by disposing of Ela-Vernon and Grayslake. The double victory virtually clinched the Northwest Suburban title for the Scouts.

Ela-Vernon made a close contest out of it for one quarter, trailing by only three points at the end of the first period. Sparked by reserve guard, Ron Verbeke, the Scouts opened up in the second stanza and led 44 to 22 by halftime. Lake Forest coasted to the 89 to 58 victory in the second half.

Craig Alderton's 20 points were not enough to even the hot Scout shooting as they dropped their bid for an upset 85 to 67. Craig Spitzer had one of his best nights, getting 28 points and pacing his teammates in the rebounding department.

Grayslake rallied in the third period and closed the gap to 5 points before the Scouts pulled away with a big 26 point fourth quarter to win easily.

Wrestlers Win Two

The Antioch wrestling squad got back on the right track last weekend by beating Warren 24 to 17 Friday at Antioch and then trimming Grant 26 to 18 at Grant Sat. Stan Revell and Lon Ipsen came up with pins in the Warren match to add 10 points to their team's total. Other winners in their respective matches were Ray, Jim and John Sheppard and Ralph Gaston.

John Burke, wrestling in the 168 pound class, tied his opponent Ted Dag, and each team was awarded 2 points. The matches at Grant high school saw five pins by the Sequoits, John Keloazk, Louis Megleo, John Burke and Lon Ipsen all won their matches via the 5-point route.

The only other Sequoit victors were Ray Sheppard and Ralph Gaston.

The Sequoits' next matches will be against Ela-Vernon at Antioch, Friday, Feb. 8.

Vern Baker (263) 590; and 9 more over 570. Dee-Gae Lounge 3; Pete's TV 0. Blumenschein Excavating 3; Corman Real Estate 0. John Gaa & Son 2; Ted's Radio & TV 1. Antioch Lumber 2; Miller Ins. 1. Joe & Helen's 2; Kenendy's Pro Shop 1. Pittman Motors 2; Volo Bait Shop 1.

High woman bowler: Helen Barnes, 156-198-160—514.

My Neighbors

Career Night At High School

The Guidance Department of Antioch High School and the Antioch High School Parent-Teacher Association are sponsoring a Career Night, scheduled for Wednesday, March 8, 1963.

The purpose of this Career Night is to bring to high school juniors and seniors, and their parents, accurate information concerning vocations in which they are most interested, thereby assisting them in choosing an occupation consistent with their aptitudes and satisfying to their personal needs.

The Career Night schedule will begin at 8:00 p.m. (General Session - Auditorium) followed by three 25 minute sessions, ending about 10 p.m. with refreshments being served in the cafeteria.

Mrs. Helen Martindale, Vocational Counselor, Illinois State Employment Service, will give the keynote address. Her topic will be "Finding a Job and What Is Expected of a Young Person Entering the Labor Market."

A student Questionnaire given to juniors and seniors revealed interest in 31 occupations. Forty-two consultants have been contacted, and will be held to represent these careers.

5th Annual Meeting Of Farm Group

The Lake County Soil and Water Conservation District Directors have completed final plans for their fifth annual meeting to be held at the Farm Bureau Building at Routes 120 and 45 in Grayslake, on Saturday, Feb. 9. The program will commence with a buffet lunch at 12 noon and a short business meeting will be held for the election of two District Directors.

The program will consist of a panel discussion featuring the progress and accomplishments of the District in the past five years of operation.

Wilmot News

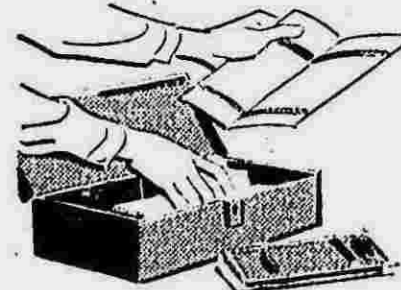

By Mrs. Herman Frank

The installation of Pastor G. Enderle was held at 2 p.m. Sunday, Feb. 3, at Peace Lutheran Church, Wilmot. A reception in charge of the Ladies Aid followed the installation.

The annual meeting of Peace Lutheran church was held Sunday, Jan. 27, at 2 p.m. Mr. Harry Stoken was elected in place of Mr. Donald Wienke, whose term had expired. Mr. John Schnurr was re-elected for another three year term.

Sam and Joe were in the duck blind and Sam was boasting to Joe about his great abilities as a hunter. Then a flock of ducks came over and Sam took careful aim. He fired. Not a single duck came down.

Sam turned to Joe and with awe in his voice said, "Joe, you are now witnessing a miracle. Somewhere in that flight of ducks, there flies a dead one."

Freedom Institute Scheduled For 1963

Washington University will again hold an American Freedom Summer Institute for high school juniors in 1963. It has been announced by Chancellor Thomas H. Elliot.

Supported by the Educational Council for Responsible Citizenship, the Institute is scheduled for June 24-July 26. It will again provide the young people with an opportunity to make a searching inquiry into basic American values, national purposes, liberties, laws, political and economic systems and traditions of freedom.

As in last year's Institute, course material will be taught through lectures, seminars, in formal discussions and readings, and supplemented with appropriate field activities.

Students from all over the United States are invited to apply for admission to the Freedom Institute. Last year's enrollees represented 20 states ranging from New York to California.

Among students who attended the 1962 Freedom Institute was Miss Janet Polley, 998 Osmond Avenue, Antioch, a senior at Antioch Township High School.

Those interested in applying for admission may receive further information from O. W. Wagner, Registrar, Washington University, St. Louis 30, Missouri.

Watch Out For Impetigo

One of the most common and unsightly conditions to affect the skin, especially that of infants and children, is contagious impetigo.

An infectious disease caused by pus-forming germs, contagious impetigo usually begins on the face, ears, neck or hands as a small blister—or cluster of blisters—very often colored from yellow to dark red.

It may take on the appearance of a cold sore on the lips. The sores usually appear within a few days or a week after the germs enter the skin, through a cut or scratch.

Unless checked early, the condition has a tendency to spread rapidly about the body and take on epidemic proportions, often causing an outbreak in an entire family or school. For these reasons, parents should be alert to the appearance of the aforementioned blisters, which may also resemble crust-like scabs or pimples.

If one is infected, he should avoid contact with others, for this form of impetigo is easily spread from person to person by both direct and indirect contact (use of towels, wash cloths, etc.) Athletic equipment such as wrestling mats and boxing gloves are also instrumental in its spreading.

Good hygiene is always a factor in preventing the disease, and parents and children alike should be taught the need for using their own toilet articles.

Though the sores of impetigo do not itch, burn or hurt, it is sometimes natural for people to scratch or pick on them. This, of course, should be avoided for the pussy material sometimes associated with the condition can lodge beneath the fingernails, or on the fingers, yielding another source for transmission of the causative germs.

Fingernails should be kept

T. B. Rate High In N. Chicago

The target has been zeroed-in, and the target will be tuberculosis in North Chicago.

Recently a meeting was held in the offices of the Lake County Health Department, attended by Mr. Walter Kroll, Health Officer of North Chicago; Dr. Charles Peltier, Medical Director of the Lake County Tuberculosis Sanatorium; Miss Catherine Cable, R. N., Executive Director of the Lake County Tuberculosis Association; and Arthur G. Baker, M. D., Director of the Lake County Health Department. At this meeting the incidence of tuberculosis in the City of North Chicago was discussed. There have been 18 active cases of tuberculosis reported from North Chicago in the past year and the positive reactor rate of North Chicago school children to tuberculosis screening tests is the highest in the county.

Dr. Baker pointed out at the meeting that tuberculosis has not been eliminated in Lake County and is a constant threat to those who have contact with infected persons. Therefore, concentrated efforts by all health agencies, in specific areas and communities where the incidence is the highest, will be the most effective way of uncovering unknown cases of the disease.

Tentative plans were made at the meeting to conduct an extensive case-finding program in North Chicago during the month of June; the case-finding will be conducted by the mobile X-ray unit of the Lake County Tuberculosis Association and citizen support and participation will be developed through the efforts of the citizens and organizations of North Chicago.

The Sparrow

"Whatever it is that the house sparrow possesses, it has enabled it to live close to man—the house-mouse of the bird world—yet be continually wary of his ways in order to avoid death. To be disliked yet to survive, and to be rather cheerful about it, is a quality which demands our admiration in spite of ourselves." — Highland News Leader.

It's going to be a tough decision when the purchasing agent starts negotiating to buy the machine that's to replace him.

short and clean. Pillowslips should be changed frequently and laundered apart from other linen. Underclothing or clothing which is in contact with the skin should be also handled with great care.

In the case of contagious impetigo, the scab-like crusts are removed and the smooth, red, moist skin beneath is carefully treated with an antiseptic. Very often, one of the antibiotic drugs is employed and, frequently—in stubborn cases—the X-ray is used. With proper care, the condition may be cleared up within a few days to a few weeks.

Since the prevention of disease is everyone's aim, wise is the parent who teaches the child early habits of good hygiene. Remember, one case of contagious impetigo can cause an outbreak in an entire family or a school. Be suspicious of that innocent-looking blister.

Knitting Course at Grant High

The addition of another home economics course to the curriculum of the Spring Semester Evening School at Grant Community High School will provide students with the opportunity to learn the skill of knitting.

The sewing and tailoring classes have annually proven to be among the most popular courses offered by the evening school and the curriculum was expanded to meet the needs and wishes of people of the community. Learning the skill of knitting will prove not only profitable but also add hours of enjoyment and the feeling of accomplishment to the lives of those enrolled.

The beginning and intermediate sewing classes are held in the home economics department of the high school and are designed to instruct the novice in the use of the sewing machine and then continue on into the more difficult works of garment making.

The tailoring class which is now in its third semester in the night school curriculum takes the student into the more difficult processes of garment making and it is geared to the abilities of the experienced sewer.

Classes for the evening school began the first week of February.

Wilmot Girl Chosen For Concert Tour

By Mrs. Herman Frank
Janet Sue Schmalfeldt, daughter of Mr. and Mrs. Fred Schmalfeldt, senior in Wilmot High School, has been selected to participate in the 1963 European concert tour of the School Band of America.

Janet received a superior rating in a nation-wide series of auditions held in November and December. She will join 80 outstanding instrumentalists between the ages of 15 and 21 from all parts of the United States to present concerts in England, Belgium, Germany and Switzerland, Italy, Monaco, France and New York, between June 29 and July 29, 1963.

Membership in the School Band of America is determined on the basis of superior musicianship, character and personality.

The School Band of America, directed by Edward T. Harn, Bloomington, Ill., assisted by Wayne M. Eger, Massillon, Ohio, and Don McCathren, Pittsburgh, will leave New York on June 29 by Pan American jet for the month-long tour.

It will be the third annual tour, presenting concerts jointly with the recently organized School Chorus of America.

Last weekend, Janet, as the winner of the Kenosha county Junior Miss contest, competed with other winners in the state at Hales Corners for title of Wisconsin Junior Miss.

The University of Illinois Division of services for Crippled Children is celebrating its 25th anniversary as the official state agency designated to provide medical care and related rehabilitation services to physically handicapped children in Illinois.

Parking lights can be dangerously deceptive, points out the Chicago Motor Club. That's why safe drivers always turn on their low-beam headlights at the first sign of dusk—not misleading parking lights. Parking lights confuse the distance between vehicles and thereby increase the chance for accidents.

In South Vietnam, autumn floods destroyed crops already depleted by communist raids. Daily rations of rice, the "bread" of Asia, reach flood victims and other

Sequoit Five Upset By Warren's Blue Devils

The Warren Blue Devils scored 36 points in the final half Friday night and upset a rather tame Sequoit five 65 to 59 at Gurnee. The win snapped a 5 game losing streak for the Blue Devils and put the Sequoits down to fifth place in the conference standings.

The Antioch quint led throughout most of the first half and left the court at intermission with a 6 point bulge 35 to 29. A steady Blue Devil defense held the Sequoits to 3 baskets and 2 free throws for the third period and Warren took the lead going into the final stanza 46 to 43.

The Blue Devils topped the scoring 19 to 18 in the closing heat to take the 65 to 59 victory. Doug Lang took game scoring honors with 23 points followed by Bob Kubicki for the Sequoits with 15. Kubicki cashed 7 of 13 field goal attempts for a sizzling 53%.

Lang again topped the rebounding chart for the Sequoits with 8, followed by Kubicki, Hallwas and Matejka with 5 rebounds each. The Blue Devils had the edge in this department grabbing off 37 rebounds to 30 for the Sequoits.

The big boys for the Blue Devils were McClure and Bill Grom. Tom Martin and Ron Lindwall were also standouts in the rebounding. The Sequoits made 24 of 57 attempts from the field for 42% but fell down at the charity line, cashing only 11 out of 22 opportunities.

BEAT GRANT 67-59
The Antioch Sequoits avenged a 73 to 44 defeat suffered earlier this season at the hands of Grant High School by rolling over the Bulldogs 67 to 58 Saturday night at Antioch. The victory kept the Sequoits in a tie for fifth place in the Northwest Conference with Warren.

The Sequoits moved deliberately to a 12 to 6 first quarter lead and were never headed after that. The scoreboard read 32 to 20 at the half way mark.

Led by ace scorer Bob Kubicki the Sequoits opened up in the third period and outpointed the Bulldogs 21 to 12. The Antioch quint relaxed in the final stanza and coasted to the 67 to 58 victory. The Bulldogs poured in 26 points in the 4th period to reduce the final margin.

Strong defensive play on the part of John Hallwas, who grabbed off 18 rebounds, was a big factor in the Sequoit victory. Jim Brownlee, was lauded for his defensive work in holding Joe Savage to one point. Savage got in foul trouble early in the game and sat out most of the third period with four violations.

Bob Kubicki topped all scorers with 7 field goals and 18 free throws for 32 points. Doug Lang, Jim Brownlee and Hallwas were also in double

figures with 13, 12 and 12 points respectively. Lang also aided Hallwas on the boards, picking off 10 rebounds.

Antioch had the edge in rebounds getting 34 to 32 for the Bulldogs. Dick Kazlauskis led the scoring for the losers with 17 points. Ten of Kazlauskis' total came in the fourth period.

Antioch improved on their free throw percentage, cashing in 25 out of 40 attempts for 63%. The Sequoits hit on 21 out of 51 attempts from the field.

The Antioch Sophs moved into sole possession of second place in the conference by trouncing the Grant preps 73 to 51.

News of Lakesports

State Regional Tournament Pairings Released This Week

Coach Roger Andrews released the pairings for the Illinois State High School Basketball Regional Tournament this week and announced that this year's tourney will be held at Mundelein.

The first action of the tourney will be Monday, March 4, and will see top seeded Libertyville going against Ela-Vernon. Libertyville, coached by last year's Sequoit mentor Larry Leon, boasts an 11 and 3 record for the season against 3 and 11 for Ela-Vernon.

Antioch will square off against the winner of the District Tournament to complete the action for Monday.

Tuesday will see Palatine against Warren and Barrington against Mundelein.

Sequoit fans will be pulling for a first night victory and a chance for the local boys to meet their former Coach Larry Leon. Libertyville should have little trouble disposing of Ela-Vernon. In the District Tournament scheduled to start February 26 at Wauconda, the first night's action will have Marysville going against Round Lake and Grayslake against Cary Grove.

Both Wauconda and Grant received by's in the first round and will move directly into the semi-finals. The final game is set for March 1.

Elroy Anderson Slams Pins For a 712 Series

Elroy Anderson qualified for the exclusive 700 club last Thursday night with a blistering series of 242-202-268 for a 712. His high series led King's Drugs to the night of 2787.

Carl Neuman's 673 series led the Major Leaguers. Other high scorers were Val Nicpon with a 644, Snapper Gerretsen with a 637, Ken Smith's 641 and Vern Baker's high game of 263.

In the Wednesday night

Business Men's League Dale Jones' 688 led the league, with Frank Heiselmann's 624 next.

In the Thursday night Bi-State league, Ted Ozga scattered the pins for a 669 series. Hilda Segelke led the ladies' Ten Pin Topplers league with a 625, followed by Marge Anderson's 600 and Betty Meyer's 520.

Marcia Palmer had the only over-500 series bowled in the Pinspotters' league with 513.

New Athletic League For Wis. Schools

Announcement of the formation of a new high school athletic and activity conference has been announced by the combined administration of Union Grove, Watertown, Burlington St. Mary's and Salem Central high schools. The league, to be known as the Southeastern Badger Conference will begin activity with the football season of 1983.

The title of the new league was formally announced last week following the result of a combined ballot of the student bodies of the four schools involved. Southeastern Badger received 75% of the total ballots cast by the students. An organizational meeting will be held in the near future when administrators and athletic directors will assemble to name officers and to establish a constitution for the new conference.

The four schools involved were members of the old Southeastern Conference which will suspend operations with the end of the 1983 spring sports schedules. The other four league members, Clinton, Palmyra, Norris Foundation, and Williams Bay will join the new Indiana Trails Conference which is scheduled to begin operations in the fall of 1983.

Sophs Beat Warren

After a rather slow start the Antioch Sophs gathered momentum and rolled to a 57 to 47 victory over Warren at Gurnee in Friday night's curtain raiser. Bernie Smith sparked the Sequoit five with 16 points while gathering in 11 rebounds.

Behind 8 to 0 with over 3 minutes of the first quarter gone the Sequoits got rolling and moved to within 3 points by the end of the period. At halftime the Antioch quint still trailed by 5 points with the scoreboard reading 29 to 24.

The Sequoits took command in the third quarter with the help of some strong rebounding by Vic Rogers and entered the final stanza leading 38 to 37. In the lead all the way from then on the Sequoits poured in 19 points in the 4th quarter to win going away.

Vic Rogers led in the rebounding department with 12, picking up 11 points along the way. Jesse Inman also hit for double figures, getting 15 points on 6 from the field and 3 charity tosses. Hanula led for the losers with 23 counters.

Bowling

Bi-State League

Thursday, Jan. 31
Ted Ozga smacked 669, setting high scratch mark. Ted's blazing 669, 204-255-210, topped the scoring feat of this week and gave the Haydon Homes team a big boost in winning two games from Dortmund's Inn (R. Henning 578).

Rudolph Turkey Farm, winning 3 in a row from Beauti-Vue Products, went into a first place tie. Top scorers for the turkey birds were Gus Siedschlag with 617-224 and Louie Rudolph with 597-223. Siedschlag has been slamming the strike slots with the greatest of ease for the past couple of weeks.

Ron Anderson with 581 and Pete Lehmann with 556 won scoring honors for the Knapp Shoe quintet, who took a pair from Slide Inn (Jack McNiff 557).

Joe Martinucci's high trip of 589 and teammate Art LaFlamme's 580 led the Roepenack Masonry to a double win over El-Mar's.

The Colonial five, led by Earl Hogan's 574, W. Helwig's 556 and Slavik's 541, shot high series for the night—2773, good for a pair of games from Dalgard's IGA. Art Doty reeled off 590-230, but his team, Charlie's Channel Inn dropped two games to Gibbs & Jensen (Bill Christiansen 548).

Only 5 games separate the first 8 teams with Rudolph Turkey Farm and Roepenack Masonry in a tie for first place.

Ten Pin Topplers

Tuesday, January 28
High team series, Joe & Helen's, 798-731-827—2356. High individual scorers, H. Segelke, 198-215-212—625; M. Anderson 180-166-254—600; B. Meyer, 192-180-148—520.

Gibbs & Jensen 3; The Tot Shop 0; Joe & Helen's 2; Pregoner's Resort 1; Art's Paint Store 2; Nielsen's Corners 1; Tuttle Min 2; Gaston

Lake Forest Wins 2, N.W. Title in Sight
The Lake Forest Scouts continued with their winning streak this past weekend by disposing of Ela-Vernon and Grayslake. The double victory virtually clinched the Northwest Suburban title for the Scouts.

Ela-Vernon made a close contest out of it for one quarter, trailing by only three points at the end of the first period. Sparked by reserve guard, Ron Verbeke, the Scouts opened up in the second stanza and led 44 to 22 by halftime. Lake Forest coasted to the 89 to 58 victory in the second half.

Craig Alderton's 20 points were not enough to even the hot Scout shooting as they dropped their bid for an upset 85 to 67. Craig Spitzer had one of his best nights, getting 28 points and pacing his teammates in the rebounding department.

Grayslake rallied in the third period and closed the gap to 5 points before the Scouts pulled away with a big 26 point fourth quarter to win easily.

Wrestlers Win Two

The Antioch wrestling squad got back on the right track last weekend by beating Warren 24 to 17 Friday at Antioch and then trimming Grant 26 to 18 at Grant Sat. Stan Revell and Lon Ipsen came up with pins in the Warren match to add 10 points to their team's total. Other winners in their respective matches were Ray, Jim and John Sheppard and Ralph Gaston.

John Burke, wrestling in the 168 pound class, tied his opponent Ted Dagh, and each team was awarded 2 points. The matches at Grant high school saw five pins by the Sequoits, John Ksloszk, Louis Megleo, John Burke and Lon Ipsen all won their matches via the 5 point route.

The only other Sequoit victors were Ray Sheppard and Ralph Gaston.

The Sequoits' next matches will be against Ela-Vernon at Antioch, Friday, Feb. 8.

Vern Baker (263) 590; and 9 more over 570.

"THE CASTAWAYS"

State Tourney To Be Seen On Channel 7

The 1983 state high school basketball tournament will be telecast again this year—good news to the thousands of fans of the sport who enjoy watching the top teams in the state compete for the championship each year.

The new assembly hall at the University of Illinois will be the site of this year's tournament. The games will be broadcast over WBKB, Channel 7, in the Chicago area.

The tournament will be held on Friday and Saturday, March 22 and 23. Defending state champion is Decatur. Sportscasters Tom Kelly and Bob Rhodes will be joined by Lorne Brown, sports director of TV station WICS in Springfield, for this year's telecast. Jack Drees is not available for this year's broadcast. The show is sponsored by Illinois Bell Telephone Company, which originated the telecast in 1952 and has sponsored it every year since.

The Saturday telecast of the semi-finals will begin at noon and the evening program—third place and championship games—will begin at 7 p.m.

Lindenhurst News

By Mrs. Bernice Bernau

Princess of Peace Notes

The Holy Name Society of Prince of Peace Church will receive Holy Communion next Sunday at the 8:00 o'clock mass. Breakfast and a meeting will follow the mass.

An instruction class for those who are interested in learning about the Catholic Faith started Monday evening. Those who wish to learn more about the Catholic religion are invited to attend next Monday's class at 7:30 p.m. in the school office.

Members of the Altar and Rosary Sodality are going to a style show at Le Don's in Chicago on Feb. 19. Those will leave the Prince of Peace grounds at 5:30 p.m. Those on the trip will stop for dinner on the way home. Call Mrs. Pat Scharz if you are interested in making a reservation.

St. Mark's Lutheran Church Notes

Twelve Luther Leaguers and Counselors from St. Mark's attended the Lutherdale Bible Camp last weekend. They were a part of a group of about 150 Leaguers from five suburban congregations of the Winter Retreat.

David Elson, Gustav Fabry, Leland Hanson, Wm. Kaub, Bertil Langager, Erick Larson, Raymond Rathmann, Ronald Schneider and Earl Spiegler were formally installed as councilmen of St. Mark's Lutheran church last Sunday.

The Mary-Martha Circle will meet at the home of Mrs. Ealter Wells Thursday afternoon, at 1 p.m.

The Miriam Circle will meet at the home of Mrs. Ralph Sneed at 7:30 p.m. Confirmation classes will be resumed Saturday morning at 9 a.m.

The Luther League will meet at the Vernon Rihimaki home on Deep Lake Road at 2 p.m. Sunday afternoon, where they will view a film and have "Snow Fun."

Men's Club News

The Lindenhurst Men's Club will meet Thursday

THE ANTIOCH NEWS

THURSDAY, FEBRUARY 7, 1963

evening at 8 p.m. at the Civic Center. All men of the village are invited to attend.

Jack Thompson is head of the building committee. The name "Lindenhurst Civic Center" has been erected on the front of the building. No trouble finding the place now.

Teen Club News

The Lindenhurst Teen Club will meet Friday evening at 7 p.m. All teenagers in the area are invited to attend. There will be try-outs for two comedy plays that the club will put on for their parents at a later date. Those who are not interested in being comedians on stage, may want to be behind the scenes and work with the sets or costumes.

Those who play instruments may perform during intermissions or between acts.

Christening

Gary Alan Finley, son of Richard and Peggy Finley, 2306 E. Honeyuckle Court was christened Sunday afternoon at Prince of Peace Church. His godparents are Mr. and Mrs. John (Terri) Kasperski of 2309 E. Honeyuckle Court.

Reunion

Mickey Fidanzo, Carol Drago, Mary Lou Wells, Cookie Gorman and Norma Garvin were hostesses to a twist party at Mickey's house Saturday for 34 of their former Antioch High School classmates. The group ranged in ages from 17 to 22 years.

Mr. and Mrs. Mike Fidanzo chaperoned the party. After the party broke up, Cheryl Stanich and Janette Lassard joined the hostesses in a pajama party.

Dateline: Chicago

Did you watch Late Line Chicago, Monday evening? Mary Shore can well be proud of her brother, Ronald Maloney, as well as Mrs. Julia Pearson, his mother. The fellow is with Snorkle Rescue Squad 1, with the Chicago Fire Department. The program showed a day in the life of three of the men, with Ronnie and his family being interviewed the most. Ron's wife and eight children, including the triplets that we have all heard about, were on.

Has Operation

Seven-year-old Gary Rohrer of 2114 E. Old Elm Road came home from St. Therese hospital last Friday afternoon following an operation on Tuesday.

New Neighbors

Al and Evelyn Swanson are buying the Ed. Boyle home on Thornwood Drive. They moved here Nov. 24 from Norfolk, Va. Al is a HM 1 in the navy and is stationed at Great Lakes. They have two sons, Dennis and Paul.

Anniversary

Congratulations to John and Grace Slove on their 22nd wedding anniversary Feb. 1. Helping them celebrate the occasion were Warren and Bernice Frontzak and Bill and Marge Campbell.

Basketball News

Did you know that the B team at Lake Villa Grade School made up of sixth and seventh grade boys have won 13 games and lost only three this season? The five main players are Larry Davis, Tony Barnett, Steve Miklausch, Bob Bartz and Carl Jennick. The substitutes are Bill Hamm, Ricky Bonovitz, Joe Pass, Tom Schneider, Bill Effinger, Jim Clark, John Rundgren, Mark Harling, John Myers, Tom Lump, Ed Jendrich, Tim Dobsiaff and Mike Salzeder.

The schedule for the rest of the season is Feb. 8 at Woodland School; Feb. 15, Gavin at the Lake Villa School; Feb. 22, Fox Lake at Lake Villa School; March 1, at Antioch Grade School; March 7, Diamond Lake at Lake Villa School. Parents and neighbors are invited to watch the boys play. The games start about 3:45 p.m.

March of Dimes Collection

Mrs. Betty Ireland, chairman for the March of Dimes in Lindenhurst reports that \$176 was collected last Thursday by the ladies who went house to house that night.

Birthday Celebrations

Debbie Bonovitz, 1809 E. Fairfield Rd., was treated to dinner at the Sweden House in Elgin last Saturday to celebrate her ninth birthday. To mark the occasion of Gene Wiczorek's birthday and his daughter, Christine's fifth and son, George's seventh, the family had dinner at the Garden House in Mundelein last Wednesday evening. Saturday was spent at their paternal grandparents,

Library Notes

By Betty Lu Williams
Librarian

The following two books
were given to the library in
memory of Mrs. Grace P.
Gifford by Mr. and Mrs. M.
S. Pfleger:

"Let's Cook It Right" by
Adelle Davis. A widely
praised cookbook dedicated
to the principle that foods
can be prepared to retain
their delightful flavors as
well as their rewarding nu-
trients. There are nearly 400
basic recipes for preparing
every type of food and thou-
sands of easy-to-fix variations
of them.

"Farm Journal's Time Sav-
ing Country Cookbook." More
than one thousand recipes of
foods and beverages, that
have been tested and are
time-saving.

Here are a few other new
books which have been added
to the library:

St. John, Robert, "The Man
Who Played God"—A novel
about Hungary and Israel,
1944-1956. This is a pan-
oramic novel of the Jews that
were caught in Hungary
during the last two years of
World War II.

Manchester, William —
"Portrait of a President"—
A profile of John F. Ken-

edy which is based on pri-
vate meetings with him and
interviews with members of
his Administration, his fam-
ily, present friends and those
who have known him in the
past. It is a fascinating,
analytic and readable study
of a man with the most awe-
some and demanding job in
the country.

Sparks, R. E.—"Wrestling
Illustrated"—This presents
the fundamentals of effective
wrestling with step by step
instructions as well as warm-
up and conditioning activi-
ties.

Woodward, H.—"The Lady
Persuaders"—This covers
over 100 years of women's
magazines—their influence
on everything from fashion
to Freud.

Baruch, D. W. — "New
Ways in Sex Education"—A
sound guide for all parents
and teachers in a most im-
portant and difficult phase of
a child's upbringing. Dr.
Baruch has had long experi-
ence as a consulting psychol-
ogist with children and adults
and written more than 20
such books—such as "How to
Live with Your Teen Ager",
"New Ways in Discipline",
and "Parents Can Be People",
which we own.

The Organic Growers of
Northern Illinois, Inc., have
given the library a copy of
Rachel Carson's book, "Silent

Spring." This book ques-

tions our attempt to control

the natural world about us
